

BUSINESS

is going on again as usual in spite of the disastrous fire that visited our works on October 26th last.

Newly secured premises, which we have just equipped with the latest machines and tools, in addition to our former steel plant and foundry, which were saved, enable us to turn out **Verity Ploughs and Scufflers** as expeditiously as ever.

New stocks of High Grade Raw Materials have been received, and with increased and better facilities for manufacture and inspection, our customers may look for a very high class of goods.

We make all styles and kinds of Ploughs, from a One-Horse Holding Plough to a Four Furrow Australasian Gang Plough.
