

# For Our Boys As They Come Home Again

## *A Gracious Memento*

**E**VERY Sunday School, every Young People's Society or Club, every Congregation, will want to present a Memento to the boys who have been in the Army, overseas, or on this side, when they come back to their homes.

### *Here It Is*

It is a four-page folder, with rich and appropriate full-page design, embodying a figure of Victory and the Allied flags as shown above, splendidly reproduced in full colors. Something new and truly Canadian.

It measures  $8\frac{1}{2} \times 10\frac{1}{2}$ , and is enclosed in an envelope ready for presentation at a social gathering in the Sunday School, Y.P.S., or Church.

It makes a unique and gracious souvenir and is particularly suitable for framing.

Every Canadian officer and man who has been in the Forces of Britain or of her Allies should have one of these beautiful mementoes. It will appeal to all alike.

**Complete, with envelope, 50c. each, postpaid**
