PRESENT

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

WHEREAS by the 21st section of the Act 31st Vic. Cap. 8, intituled, "An Act respecting the Customs," it is provided that in all cases where duties are charged according to the weight, tare, guage or measure, such allowances shall be made for tare and draft upon the packages, as may be appointed by regulation made by the Governor in Council

And whereas it is desirable to establish a uniform practice at all the Ports of Entry in the Dominion, in reference to the allowance for tare on sugar—

On the recommendation of the Honourable the Minister of Customs, His Excellency has been pleased to order, and it is hereby ordered that the following regulations be, and the same are hereby adopted.

From and after this date there shall be allowed for tare on sugar imported in hogsheads, twelve per cent. and in tierces, fourteen per centum of the gross weight of each, and on barrels, an allowance of twenty-six pounds each. On bags in which sugar is imported, an average tare shall be allowed, to be ascertained by weighing one bag of every ten.

If in any case, objection is taken to the above scale of allowances for tare, then the actual tare according to the original invoice may be allowed subject, however, to such examination, either by actual weighing or appraisement as may be thought necessary by the collector of the Port, to prove that the actual weight of the packages is not less than that stated in such invoice.
