Scientific and Useful.

DESSERT IN A HURRY.—A quickly made dessert is this: Make a batter as if for common griddle cakes, then add an egg, and some fruit, say stewed or canned berries, drain the juice from them, and stir them into the batter; fry in a little lard, and serve with pudding sauce.

SUMMER DRINK.—Buttermilk is considered one of the best of summer drinks. Those who have a craving for something sour in warm weather will find the lactic acid which buttermilk contains very grateful to the stomach, and the staying properties of the drink will enable a person to undergo more fatigue than anything else that may be drank.

Lydia E. Pinkham's Vegetable Compound is a most valuable medicine for ladies of all ages who may be afflicted with any form of disease peculiar to the sex. Her Remedies are not only put up in liquid form but in Pills and Lozenges in which form they are securely sent through the mails.

TO CRYSTALLIZE ORANGES FOR DESSERT.—Peel and quarter the oranges, make a syrup of one pound of sugar to one pint of water, let this boil until it is like candy round the edge of the dish, then dip the oranges in this and let them drain; keep them where it is warm, and the candied syrup will become crystallized. This is delicious.

MEAD.—Boil well together three pounds of sugar and one quart of water; when cool add one ounce of tartaric acid, and vanilla to taste. It is ready for use at once; if it is to be kept, bottle and cork securely. When used, put three tablespoonfuls in a tumbler, add a quarter of a teaspoonful of bicarbonate of soda, and fill the glass with ice-water.

Be sure you get the genuine Murray & Lanman's Florida Water. There are counterfeits, but if you will hold a leaf of the pamphlet which is around each bottle up to the light, you will see in faint letters, water-marked in the paper, the words "Lanman & Kemp, New York," and where you cannot find this, you may be sure the article is not genuine.

FRIED GREEN TOMATOES.—Green tomatoes fried are preferred by some people to the egg-plant, and it may well take its place; cut the outer slices off, and then cut the inner part in slices about half an inch thick, roll them in flour, and fry in butter; sprinkle pepper and salt on them. This may be used as an entree or a garnish with meat of any kind.

For Bronchitis and Asthma, Dr. Allen's Lung Balsam; the best cough prescription known. See Adv.

BISCUITS.—One quart of flour, one teaspoonful of salt, one table-spoonful of lard worked in the flour. Moisten with sufficient water to make a very stiff dough. Work it well, then lay it on a board and pound until it is soft and smooth, and until the dough crack as you work it. Make it into small flat biscuits, lay them in a pan, prick them with a fork, and bake in a moderate oven. Serve cold. May be kept a long time in a tin box.

CONSUMPTION is a disease contracted by a neglected cold—how necessary then that we should at once get the best cure for Coughs, Colds, Laryngitis, and all diseases of the Throat and Lungs—one of the most popular medicines for these complaints is Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda. Mr. J. F. Smith, Druggist, Dunnville, writes: "It gives general satisfaction and sells splendidly."

OATMEAL DRINK.—It is one of the best recipes printed for gratuitous distribution by the National Health Society. Put three table-spoonfuls of coarse oatmeal into three quarts of cold water and boil it for half an hour; while hot sweeten to taste with brown sugar. Most people prefer it strained. This is very good mixed with cocoa, about half of each, as a hot drink, or it can be flavoured with cloves and lemon peel boiled in it. If it is to be drank cold, one half ounce citric acid may be put to each two or three gallons. Lemon juice is preferable to the acid but very much dearer. Rice or barley drink can be made in the same way, using broken rice or barley instead of oatmeal. Any of the above are excellent drinks for the harvest field and very cheap.

H. A. McLaughlin, Norland, writes: "I am sold out of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. It sells well, and I find in every instance it has proven satisfactory. I have reason to believe it the best preparation of the kind in the market. It cures Dyspepsia, Biliousness and Torpidity of the Liver, Constipation, and all diseases arising from Impure Blood, Female Complaints, etc."
