#### The Greatest Work on the Drink Question.

#### THE CYCLOPEDIA OF TEMPERANCE AND PROHIBITION

This Cyclopædia is the result of several years of preparation. Vast numbers of original authorities have been consulted, and a voluminous correspondence carried on with the most competent persons in foreign countries. More money has been expended in conducting a series of investigations, etc., than has been laid out on any other book on the drink question ever published. The Cyclopædia as a whole is just as strong as it is in particular parts. All the manifold phases of the subject—moral, economic, religious and political aspects, facts about foreign countries, about organizations and about different movements, biographical, historical and scientific information, etc., are faithfully presented, and a perfect index is appended.

**WHAT IS SAID OF IT?**

"It is in itself a liberal education on the temperance question."—FRANCIS E. WILLARD.

"It is a volume that should have a place in every library, school and home."—REV. A. M. RICHARDSON.

"Every temperance advocate of whatever school, to every clergyman, to every statesman, to every teacher of public schools, to every Sunday school, we cordially recommend this valuable volume."—*Zion's Herald, Boston.*

8vo. cloth, 627 pp., double columns, superior paper, large type. Price \$3.00, carriage free.

#### GEYLON TEA COMPANY

WHAT  
"THE TIMES" OF CEYLON  
Says of this Company, May 4th, 1890.

"We are asked by a Correspondent, 'Which Company for the sale of Ceylon Tea at home, does the largest business?' and we really do not think that anybody can answer this question. In all probability, the Ceylon Tea Growers, Limited (Khangani Brand), sell more Tea than most, seeing that they have no less than one thousand Agents in Great Britain alone, and, in the course of twelve months, must sell a very large quantity of Tea."

This is indisputable evidence that this Company is a GENUINE CEYLON TEA COMPANY
