MISCELLANEOUS.

To protect visitors at the World's Fair from broken glass falling from the roofs, wire netting is to be stretched overhead in four of the principal buildings.

TAKE A PLEBISCITE.

Should a plebiscite be taken it would be found that Burdock Blood Bitters is by long odds, the most successful and popular cure for dyspepsia, headache, constipation, biliousness, bad blood, etc. It is purely vegetable.

Knocking out Edison's patent on carbon filaments for incandescent electric lights is being followed by the output of a number of other lamps of nearly the same design.

TIMELY WISDOM.

Great and timely wisdom is shown by keeping Dr. Fowler's Extract of Wild Strawberry on hand. It has no equal for cholera, cholera morbus, diarrhoea, dysentery, colic, cramps and all summer complaints, or looseness of the bowels.

A steamer with a pair of paddle wheels astern, having the rudder between them, has been built at Renfrew, Scotland. It is intended, like several others of the same pattern, for towing lighters.

FRESH AND VIGOROUS.

On a fine morning and a fine road, what is more invigorating than a spin on a cycle. When it comes to a race, the suggestion of Mr. George Phillips, Secretary Leinster Cycling Club, Dublin, Ireland, has force: "I have found St. Jacobs Oil an invaluable remedy for strains and bruises, and so have several members of our club." This ought to be borne in mind.

The Columbia River at Portland, Oregon, is to be crossed by a steel bridge 46 feet wide, with fixed spans of 302 and 242 feet and a draw span of 385 feet, besides the embankment and trestle approaches, which gives the whole structure a length of 1,621 feet.

THE TESTIMONIALS

Published on behalf of Hood's Sarsaparilla, are as reliable and as worthy your confidence, as if they came from your best and most trusted neighbour. They state only the simple facts in regard to what Hood's Sarsaparilla has done, always within truth and reason.

In Cleveland there are four 6-inch water mains in the business streets, which with the attached hydrants usually remain empty. When occasion requires the city fire-boat thrusts a nozzle into the river end of a main, and supplies water under a pressure of over 200 pounds to the inch.

Constipation, and all troubles with the digestive organs and the liver, are cured by Hood's Pills. Unequaled as a dinner pill.

Lighthouses are now distinguished by the mariner by colour, combinations of colour, or the periodicity of short flashes. Captain Mahan, of the United States Lighthouse Board, has devised a system of signals given by shutters over the light, by which each light tells its own name or number, and prevents any possible confusion. When tested at New-Haven last month it worked admirably.

It is not what its proprietors say, but what Hood's Sarsaparilla does, that tells the story of its merit. Hood's Sarsaparilla cures.

"I was deaf for a year, caused by catarrh in the head, but was perfectly cured by Hood's Sarsaparilla." H. Hicks, Rochester, N. Y.

A bold plan for converting the power of a water-fall into electricity for long distance transmission, is being considered in the State of Washington. Snoqualmie Falls are capable of yielding 32,000 horse-power most of the time. The only city of any size where this power could be utilized, is Seattle, 23 miles off as the crow flies, but separated from the falls by so wild and uneven a region that 40 miles of cable would probably be required.

What is lacking is truth and confidence. If there were absolute truth on the one hand, and absolute confidence on the other, it wouldn't be necessary for the makers of Dr. Sage's Catarrh Remedy to back up a plain statement of fact by a \$500 guarantee. They say—"If we can't cure you (make it personal, please,) of catarrh in the head in any form or stage, we'll pay you \$500 for your trouble in making the trial." "An advertising fake," you say. Funny, isn't it, how some people prefer sickness to health when the remedy is positive, and the guarantee absolute. Wise men don't put money back of "fakes." And "faking" doesn't pay.

Magical little granules—those tiny, sugar-coated Pellets of Dr. Pierce—scarcely larger than mustard seeds, yet powerful to cure—active, yet mild in operation. The best Liver Pill ever invented. Cure sick headache, dizziness, constipation. One a dose.

A Bright Lad,

Ten years of age, but who declines to give his name to the public, makes this authorized, confidential statement to us:

"When I was one year old, my mamma died of consumption. The doctor said that I, too, would soon die, and all our neighbors thought that even if I did not die, I would never be able to walk, because I was so weak and puny. A gathering formed and broke under my arm. I hurt my finger and it gathered and threw out pieces of bone. If I hurt myself so as to break the skin, it was sure to become a running sore. I had to take lots of medicine, but nothing has done me so much good as Ayer's Sarsaparilla. It has made me well and strong."—T. D. M., Norcat, Kans.
