

Annual Drill.

The 62nd Battalion commenced their annual drill at the Barracks a few days ago, as already mentioned in the Telegraph. As no camps are allowed by Government this year the several Corps who have been selected by lot to drill will have to be instructed at headquarters. Only eight days drill (of three hours each) are allowed, and the pay for this will be fifty cents a day for non-commissioned officers and men and \$1 for officers (considering this very small allowance, the attendance at the Barracks Monday evening was very good. During the course of the drill there will be a Company competition drill cup presented by Mrs. Col. Thur, as it was expected that the Government would issue new uniforms to the 62nd this year, as the clothing now in use is very much worn. They will have to make them last for another year, however, as they cannot obtain new ones till the five years are up. The officers of the Battalion have provided themselves with the new regulation forage cap, which is found to be much more comfortable than the Glengarry cap. The following are the companies represented.

Lt. Colonel, Thomas Sullivan; Major, A. Blain; Acting Adjutant, Captain McLean; Surgeon, S. Z. Earle; Assistant Surgeon, T. J. O. Earle; Paymaster, Brevet Major, Maher; Quartermaster Ensign, G. Wallace.

No. 1 Company—Captain Devlin, Lieut. Earle, 34 non commissioned officers and men.

No. 2 Company—Captain Sturdee, Ensign Magee, 31 non commissioned officers and men.

No. 3 Company—Captain Farrer, Ensign Thomas, 30 non commissioned officers and men.

No. 4 Company—Captain Hazen, Ensign Coster, 28 non commissioned officers and men.

No. 5 Company—Captain McLean, 32 non commissioned officers, and men.

No. 6 Company—Captain Likely, Lieut. Harit, 30 non commissioned officers and men.

The number of men per Company must not exceed 42 including non commissioned officers.—St. John Telegraph, 7th July.

Ragusa, 16th.—The Turkish corps which is surrounded at Metochij proposed to capitulate on Thursday. The Montenegrins have occupied the whole district of Gatchka with the exception of an entrenchment commanding the town in which 2,000 Turks are surrounded. A considerable body of Montenegrins is marching towards Mevesinjo where a battle will probably be fought.

This over-skirt is quite different from any other. It is simple and graceful, the ruffle or pucker by which it is produced by the novel way of draping, and though it has the appearance of a separate part, it is all one thing, and one of its chief attractions is its convenient shape for making over by any other pattern. It is intended for any kind of goods, and will be a great favorite for wash-materials the coming summer. Paris houses are now using it for their model in preparing suits for the spring season.
