

“ASSESSMENT SYSTEM.”

EVERYBODY who knows anything about insurance acknowledges that the Independent Order of Foresters is far and away the **Best Fraternal Benefit society in the World.** It was founded in Newark, New Jersey, on the 17th June, 1874, and has spread all over the United States and Canada, and is rapidly spreading in Great Britain and elsewhere.

The Unexampled Progress and Prosperity of the Independent Order of Foresters is shown by the following figures:

Membership 1st July, 1894, about 61,000. Balance in Bank, \$951,571.62.

The total number of applications considered by the Medical Board for the year ending 31st December, 1892, is 18,247, whom 17,023 were passed, and 1,219 rejected.

The cause of this unexampled prosperity and growth of the I. O. F. is due to the fact that its foundations have been laid on a **Solid Financial Basis**, and every department of the Order has been managed on business principles, thereby securing for all Foresters large and varied benefits at the lowest possible cost consistent with **Safety and Permanence.**

At date all Benefits have been paid within a few days of filing the claim papers, amounting in the aggregate to the princely sum of **Two Millions Two Hundred and Thirty-four Thousand Four Hundred and Twenty-four Dollars.** Notwithstanding the payment of this large sum, as well as all the management expenses, including large sums for planting the Order in New Territory, there remains the handsome cash balance in the treasury, as noted above, of the sum of **Nine Hundred and Fifty-one Thousand Five Hundred and Seventy-one Dollars and Sixty-two Cents.**

Look at this list of the Benefits which you may obtain for yourself by becoming a Forester:

FOR YOURSELF.—1. The fraternal and social privileges of the Order. 2. Free medical attendance. 3. Total and Permanent Disability of \$500, \$1,000, or \$1,500. 4.
