

We are requested to repeat the notice inserted in our last number, that in accordance with its Bye-Laws, the meetings of the Medico-Chirurgical Society of this City will be held on the first Saturday of each month, until that of October next, when they will occur once in each fortnight till the 1st May following. Non-resident members of the Profession are requested to favor the Society with their attendance, and, when agreeable to themselves, to take part in its public business, on the occasions of their visiting Montreal.

We exhibit on the cover of our present number, the names of the Subscribers of the *Montreal Medical Gazette*; this list contains—1st, the names of those gentlemen who have given us the most substantial proof of their intentions, by having forwarded to our Publishers the amount of their subscriptions: 2nd, of those, who have, by letter or vivâ voce, authorized the insertion of their names where they are placed; and 3rd, of those, who, by not having returned the previous numbers issued, leave us to infer, that they wish to be considered as subscribers, and have only waited for a favorable opportunity of informing us to that effect. Among the very small number of copies returned, some bore neither the names of the gentlemen who sent them, nor of the places at which they were posted; should these gentlemen find their names still on our list, we beg that they will do us the favor to return this number, with their names either on the wrapper or on the cover of the Journal itself, and the error shall be corrected.
