**BARBER'S INSTANTANEOUS RHEUMATIC CURE.**

This wonderful remedy is composed of powerful, yet harmless drugs, which readily assimilate with the blood, and absorb and carry off through the pores of the skin the *Lactic* or *Uric* acid, and all other poisonous matter found therein, thereby removing the cause of Gout, Neuralgia and all forms of Rheumatism. Wherever it has been introduced, the demand for it has constantly increased. Through personal benefits derived from its use, we have been the means of introducing it in Canada, and it is now manufactured for us, as General Agents, here in Sherbrooke. We have sold a large quantity of the Cure in this part of the Eastern Townships, and only know of two persons whom it has failed to benefit, after using it according to directions. We confidently recommend it to those afflicted with Rheumatism in any form; Not because "there is money in it," but from our personal experience of its use and benefit. It is this which has induced us to take up a new line of business, and it couldn't pay us to recommend a worthless article. We confidently believe that *Barber's Instantaneous Rheumatic Cure* will do all that is claimed for it. While we are not sanguine enough to believe that it will cure every individual case of Rheumatism, some of which may be a complication of diseases, we are in a position to prove that out of one thousand cases taken indiscriminately, over ninety-four per cent. were relieved by the use of this Cure. Try it, use it, in strict accordance with the directions which accompany each bottle. Price \$1 per bottle. Agents wanted, and the trade supplied throughout the United States and Canada.
