Is a chemical extract of Wild Cherry and Tar. Every body bnows that Wild Cherry peaceses important medicinal propertios; and far Water bas always been administered in Consumption and Lung affections generally, by our oldest end safest physicians. Various remedies, it is true, have been offered and puffed into notoriety for the cure of diseases of the lungs, and me have been found un doubt very metal, but of all that have yet been discovered, it is admitted by physicians, and all who have witnessed its effects, that none have proved as successful as this For Asthma, Shortness of Breath, and similar affections, it may be pronunced a positive cure. It has cured Asthma in many osses of ten and twenty years standing, a ter physicians had de-clared the case beyond the reach of medicine.

This Balsam is made from materials which nature has placed meall northern latitudes, as an antidote for diseases caused by

THE BISHOP OF TORONTO

AND THE CHURCH UNIVERSITY.

THE exertions of the Bisnor or Tonouro having been inde L. fatigable to obtain for the inhabitants of the Province, a Colloge in which Religion will be the basis of instruction for the rising generation, a debt of gravitude is hereby due to his Lorsiship, of which some testimony should be given. This it is proposed to the, by placing in the Hall of the future College a Full Length Portrast of his Lordship painted by Salter, the well-known Painter of the Celebrated Picture of the "Waterloo Banquet at Apsley House," a facility for obtaining which has been afforded before his Lordship of London. hte Lordship left London.

in furthermon of these views a Committee has been formed who, relying that the call now made will be responded to by the wiends of Religious Education in the Province, torwarded instructhem to Mr. Salter, and wrote to his Lordship on the subject. In the event of the authoription exceeding (as it is hoped they will), the expense of the Portrait, and being adequate for the purpose, it is intended to have the Painting Engraved and to sent each Subscriber of a pound and upwards with a copy of

THE BRITISH PERIODICALS AND THE

FARMER'S GUIDE.

EONARD SCOTT & Co., No. 54, G Id Street New York, continues to publish the four leading British Quarterly Reviews and Black wood's Magazine; in addition to which they have recently commenced the publication of a valuable Agricultural work, called the "Farmer's Guide to Scientific and Practical Agriculture,"

By HENRY STEPHENS, F.R.S., of Edinburgh, author of the " Book of the Farm." &c., &c ; assisted by Jonn P. Norton, M.A., New Haven, Professor of Scientific Agriculture, in Yule College, &c., &c.

This highly valuable work will comprise two large royal octavo volumes, containing over 1,400 pages, with 18 or 20 splendid steel engravings, and more than 600 engravings on wood, in the highest style of the art, illustrating almost every implement of husbandry now in use by the best farmers, the best methods of ploughing, planting, having, harvesting, &c., &c., the: various domestic animals in their highest perfection; in short, the pictorial feature of the book is unique, and will render it of incalculable value to the student of agriculture.

The work is being published in Semi-monthly Nambers, of 64 pages each, exclusive of the Steel engravings, and is sold at 25 Cents each, or \$5 for the entire work in numbers, of which there will be at least twenty-two.
