A few thoughts concerning

ASTHMA

Its Cause and Cure

Must interest every one afflicted with this terrible disease. To describe this disease to one that has suffered for years the untold agonies of suffocation and distress night after night and who (in many extreme cases) would only gladly welcome death in order to be relieved from such suffering with no prospects of ever being any better is not pleasant to contemplate. All the boasted remedies heretofore claimed to cure Asthma have failed or only given temporary relief. The smoking of leaves and barks, saturated paper and pastilles has been resorted to as the last means for only a temporary relief anything being considered a blessing that will release the grasp of the fingers of death (even for a short time), which seems to be tightening every moment more and more; the sufferer knows that this is Asthma.

To-day suffocating, in a few days relieved, and no good reason can be given as to the cause of these sudden changes and return of suffering, only by the poisonous blood acting on the nerves producing the disease. In Asthma there is a

SPECIFIC POISON In the Blood that must be **DESTROYED**
before Asthma can be

CURED

This poison is oft-times inherited and passed through many generations, like Scrofula, never losing its power to produce Asthma and oft-times affecting the lungs and bringing the sufferer down to a Consumptive grave. Location, with surrounding causes will arouse and set to work this poison in the blood, so that in some sections of the country an Asthmatic cannot live, even in one part of a city their suffering is intense, move to another part and they are entirely free from Asthma. Thus you learn that there exists a certain poison in the system, that when certain influences are brought to bear that exist in the Atmosphere in many localities will develop this poison in an unusual degree thereby affecting the NERVES, producing spasms and difficult breathing, which every Asthmatic has had such sad experience with, suffering, and no hope of being cured; for having tried every known remedy, exhausted the skill of the physicians, have given up in despair.

After years of study and patient research and watching this disease in all its various phases under various circumstances we present a cure for Asthma known as **DR. TAFT'S ASTHMALENE**, which will entirely destroy this poison in the blood and restore the nerves to a healthy condition and when this is done the spasms will cease, the choking will subside, and the injury done to the lungs will begin at once to be repaired and the nerves restored to perfect health. **ASTHMALENE** is unlike all other so called Asthma cures, as it contains No Opium, Morphine, Ipecac, Squills, Lobelia, Ether, Chloroform or any other Anodyne or Narcotics, but its combination is of such a nature that it will destroy every particle of this poison in the blood and eliminate it from the system, effect a cure and give a night's sweet sleep. We have received thousands of testimonials from every State in the Union of the marvelous cures from the use of the **ASTHMALENE**. We have never published them, for testimonials have been manufactured so extensively and sold so cheap that people have no confidence in them.

WE DO NOT WANT YOU TO SEND US MONEY

We do not make out a long list of prying, personal and impertinent questions, nor do we resort to any clap trap or any nonsense of any kind in order to make monthly or permanent patients; we only ask any one suffering from Asthma to **TRY A FEW DOSES** of Asthmaleene. We make **NO CHARGE FOR** a trial bottle to sufferers from this terrible malady. Send us your name on a postal card and we will mail

enough of Dr. Taft's Asthmaleene to show its power over the disease, stop the spasms and give a good night's rest, and **prove to you** (no matter how bad your case) that **ASTHMALENE CAN CURE ASTHMA**, and you need no longer neglect your business or sit in a chair all night gasping for breath for fear of suffocation. Send us your full name and post office address on a postal card. **THE DR. TAFT BROS. MEDICINE CO., ROCHESTER, N. Y.**
