follows: "My Christian friends -I am not accustomed to speak in public, as you well know. You know my business is not such as would lead me to perform such duties very acceptably. You are well aware, I suppose, that I keep a meal store in this city. I keep Charlestown, Cambridge, Watertown, Brighton, Chelses, etc.; and I sell it by the bushel, half-bushel peck, half-peck, and even quart. Forever and ever, without end Amen."

This is excellent, and being true is worth telling; but we remember one that will match it, all about with the first-born of his house; but, alas! it died in babyhood! At the hour appointed for the funeral, the bereaved father, on descending from his chamber where he had been weeping by himself, was surprised at the larger number of friends in attendance. The house and yard were full. Touched by this mark of sympathy and respect, and looking around on the crowd be stammered, 'Neighbors and Christian friends, I thank you for your numerous attendance; and, really, I-I-am sorry it wasn't a larger child!

#### HIGHLY IMPORTANT TO ALL THOSE WHO SUFFER WITH PLEURISY.

Another of the respectable citizens of Quebec, Canada, has voluntarily addressed the following to W. E. Brunet, Esq., Druggist, &c., Pont St. Roch Street, Quebec:

It affords me great pleasure to inform you that I have been completely cured of a very severe Pleurisy, which I had neglected, and by the use of only three bottles of the BRISTOL'S SARSAPARIRLA, which I bought at your establishment in Valier Street.

I am, dear sir, very truly yours, J. B. ALEXIS DORVAL, Inspector of Timber.

MURBAY & LANMAN'S FLORIDA WATER .- It is a pleasant thing to afford a new and refined enjoyment to one's countrywomen. Lanman & Kemp have certainly accomplished that object in introducing Murray & Lanman's Florida Water, (for twenty years a favorite toilet article throughout Spanish America,) to the notice of the ladies of this country. Nor are the ladies alone indebted to that enterprising firm; for if the article imparts to the embroidered mouchoir an exhiberating and refreshing fragrance, and to the complexion a softer bloom, it is equally efficacions in taking the sting out of the operation of shaving and relieving the breath from the fumes of tobacco. For all these purposes, however, it is necessary to have Murray & Lanman's Florida Water, and none other.

WHAT IS YOUR AILMENT - A hundred varieties of disease may be traced to the stomach. For each and all of them, common sense suggests that the medicine which restores that organ to its full vigor, is the true remedy. If common sense demands what that remedy is, experience answers, BRISTOL'S SUGAR-COATED PILLS. Cathartics are plenty, suppose, that I keep a meal store in this city. I also, besides the store flour, corn, rye, oats, etc. I also, besides the store business, peddle some meal. I peddle in Boston, business, peddle some meal. The so-called remedy will destroy tha patient, more rapidly than the disease. > EXERCISE .- The ancient Grecians were noted of their agility, strength, and great powers of endurance The English women of the present time are cele-brated for their robust and healthy appearance, the result in both instances, of vigorous and healthy exercise. The Americans, unfortunately, have but little taste for this method of retaining their health or building up a broken constitution; hence the great prevalence of weak, sickly, and delicate men and women. HOOFLAND'S GERMAN BITTERS will in a great measure palliate this want of exercise, by giving great strength to the digestive organs, hence producing a good appetite and a vigorous feeling of body. A moderate degree of exercise, however, used in connection with the Bitters, is much better; the most desperate case of Dyspepsia, Liver Complaint, Nervous Debility, yielding quickly to their beneficial influence. ### AYER'S CHERRY PECTGRAL.

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hourseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease

So wide is the field of its usefulness and so numerous are the cases of its cures, that almost every section of country abounds in persons publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every other expectorant is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous effections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be

forgotten. We can only assure the public, that its quality is carefully kept up to the best it ever has been, and that it may be relied on to do for their relief all that

it has ever done. Great numbers of Clergymen, Physicians, Statesmen, and emiuent personages, have lent their names to certify the unparalleled usefulness of our remedies, but space here will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAO in which they are given; have found great rewith also full descriptions of the complaints they

Fowle & Co., Boston-Gentlemen,-Having experienced the most gratifying results from the use of Dr. Wistar's Balsem of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly affected with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. In October the symptoms increased slarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to kealth.
