Low Premiums and High Returns

An unsolicited letter from one of the Policyholders of the Great-West Life Assurance Company well expresses the two outstanding advantages of the Great-West Policies. Acknowledging the second five-yearly dividend on his Policy the writer says:—

"I am agreeably surprised at the amount of dividends on my Policy considering the low rate of premium."

The Great-West Agent has the effectual argument of RESULTS always at his disposal. What more could be desired?

A few good districts are available for competent Canvassers—East and West. Details on request.
