**PUBLICATIONS RECEIVED**

**The Bond Canadian Market News.**—Issued every little while in the interest of Canadian government, municipal and corporation bonds and mailed free to conservative investors, upon request to Hew R. Wood Company, at their office, 76 Bank of Ottawa Building, Montreal.

**Legislation.**—The Public Service Monthly of the Saskatchewan Government for February, 1918, contains a synopsis of new and amending legislation passed at the first session of the fourth legislature of the province. It is a very useful summary. So far as we know the Alberta and Saskatchewan governments are the only ones which issue such a synopsis. It would be a desirable innovation for other provincial governments.
