# Band Saw Mills

Do not longer put off en-  
quiring thoroughly into the advan-  
tages of the Band over the Circular  
or Gang. They are many and great,  
and mean a handsome profit where  
with circular there is little or none.  
We build the new "ALLIS" Band  
and everything needed in a modern  
saw mill. Write to-day.

OILS, PAINTS AND GLASS.—While business  
is reported fair, orders are hardly up to last  
year at this date. In oils there are no changes  
within the week. Paris green is very firm at  
the late advance, from 13 to 13½c. being quoted  
in bulk, and 15c. in small packages. Dry leads  
are stiffening at home, but no change has been  
made here. Manufacturers' agents are quoting  
higher prices for whiting, and new supplies will  
cost about two cents a hundred dearer. We  
quote: Turpentine, 46c. per gal. for single brls.,  
2 to 4 brls., 45c.; 5 brls. and over, 44c. Lin-  
seed oil, raw, 55c. per gal.; boiled, 58c.;  
4 to 9 brl. lots, 1c. less; olive oil, machinery,  
90c.; castor, in lots, 6½c.; single cases, 7c.;  
tins, 7½c.; Nfld. cod, 34 to 35c. per gal.;  
Gaspe oil, 35c. per gal.; steam refined seal, 42  
to 43c. per gal. in small lots. Leads (chemi-  
cally pure and first-class brands only), \$4.75 to  
5.00; No. 1, \$4.50 to 4.75; No. 2, \$4 to 4.25;  
No. 3, \$4; dry white lead 4½ to 5c.; genuine  
red do., 4½ to 4¾c.; No. 1 red lead, 4c.; putty,  
\$1.60 to 1.65 in bulk, \$1.75 to 1.85 in bladders,  
\$2 to 2.10 in tins; London washed whiting, 40  
to 45c.; Paris white, 85 to 90c.; Venetian red,  
\$1.50 to 1.75; yellow ochre, \$1.50 to 1.75; spruce  
ochre, \$2.25 to 2.50; window glass, \$1.25 per  
50 feet for first break; \$1.35 for second break;  
third break, \$2.90.

WOOL.—A fair number of small sales of Cape  
wool are reported, but the aggregate of busi-  
ness is limited. Some of the mills are reported  
to be bringing in moderate lots of low grade  
American wool. Purchases on Canadian im-  
porters' account have been made at the Cape,  
and though stocks on spot are small, there  
seems no hurry in having the same forwarded.  
There is little or no Australian here. We  
quote:—Cape, 14 to 16c.; Natal, 15 to 17c.;  
B. A. scoured, 27 to 35c.; domestic fleece, 22  
to 25c.; pulled do., 22 to 23c.

## TORONTO MARKETS.

TORONTO, Feb. 26th, 1896.

DRUGS—The distributive movement is not  
satisfactory, orders for present requirements  
being small. Some business in Paris green  
for spring delivery is being done. Values are  
well maintained. Opium is firm. Cables from  
Salonica report cold weather and serious  
damage to the growing plant: It is said that  
prices in primary markets have advanced and  
some sellers have withdrawn their offers.  
Morphine prices are firm in the local market,  
but values abroad are unchanged. Quinine re-  
mains firm. Insect powder is advancing.  
Glycerine is firm. Latest foreign advices on
