

St. Pie Letellier Notes.

The Reverend Father Drummond S.J., came to assist our parish priest with the religious offices for All Saints and All Souls. On Monday evening and the morning of the feast there were a great many confessions, as almost all the parishioners make it a duty to approach the Holy Sacraments at this time every year.

The Reverend Father preached at Mass and Vespers, it is superfluous to say, that the sermons were eloquent and eagerly listened to. Father Drummond being so well known that every one knows what a sermon by him means, and as I cannot adequately report them I will simply indicate the subjects.

At Mass on All Saints' the subject was "The Saints and the means they employed to gain Eternal Bliss." As an example of the highest degree of perfection, humiliation with Christ crucified from pure love of God, the Father related how St. Alexis in the 5th century lived in a cupboard under the stairs in his father's house for seventeen years, unknown to all, until his death, and tormented by his father's many retainers and domestics, but that when he died all the church bells began to ring and Angels' voices were heard in sweet harmony.

This example was interesting even to young children who were also able to understand a great deal of the sermon. Before preaching in French, Father Drummond said a word or two on the subject and complimented the congregation, on the Catholic way in which the day was being observed at St. Pie Letellier. With the exception of the elevators everything were a Sunday aspect and the Catholic threshers, who have not yet quite finished this year's work, closed down for the day.

The evening sermon was on Death, and next morning on Purgatory.

We are sorry to say that Mr. S. Brule who was undergoing treatment at Boniface Hospital succumbed to the pneumonia from which he was suffering last week. His remains were brought home to St. Joseph last Saturday, and he was interred in St. Joseph's cemetery the following Monday.

The deceased was only 23 years of age. R. I. P.

Mrs. and Miss Auger, of St. Boniface, and Mr. and Mrs. O'Neil from Ste. Agathe were visiting at Dr. D. Eschambault's last week, helping Miss Josephine at St. Joseph's bazaar.

A very successful bazaar was held there, on which we congratulate Father Martin and his helpers.

Two young ladies, Miss D'Eschambault and Miss Gauthier, took upon themselves the arduous duties of a campaign in which votes consisted of cash. Miss D'Eschambault had the honor of winning the election with about \$640.00, but Miss Gauthier did very well also, having over \$590.00. The young ladies each received a gold watch and prayer book as souvenirs of the bazaar.

Some years ago the church at St. Joseph was enlarged and improved, thus imposing a heavy debt on the parish. No doubt, had the parish increased or even remained stationary the congregation would have been able to meet this, but contrary to Letellier and most other places in Manitoba, many farmers have left (some for our own parish), disposing of their property at St. Joseph to Mennonites for a handsome sum and establishing themselves in less exposed locations.

It was a novel sight last week to see C. Perron feeding a bonfire from his "blower" and thus turning night into day around his threshing machine.

Most of the threshing is over and with a few fine days all the machies will be in winter quarters. The yield is not so heavy or such a good grade as it would have been if there had been no rust. A good deal of wheat shipped from Letellier will go 3 Northern however, and as prices are good, it will not be too bad a year all round.

Mrs. T. Proulx, now of Crookston, but a former old and esteemed resident of St. Pie, is visiting her many friends. Our baker and family have left Letellier, we are sorry as Mr. Poulain gave good satisfaction.

We always expect the Northwest Review to know everything and pin our faith to it.

Mr. H. Cadieux of Montreal who spent the summer here, has just left for his old home, but "he who tastes of the Red River comes back," so he will likely do the same.

Mrs. Henry, of Dakota, is visiting her daughter, Mrs. Jacques Parent.

Beautiful weather prevails to the regret of none, for the Autumn has been damp and chill and a slight fall of snow some time ago made us think of winter.

This is perhaps a trivial question, but why does a French Canadian say a Gloria after the Creed and no Pater when he says the rosary, while an Englishman says a Pater.

HAD TO GIVE UP ALTOGETHER AND GO TO BED.

DOCTORS DID HER NO GOOD.
By the time Miss L. L. Hanson, Waterside, N. B., had taken Three Boxes of MILBURN'S HEART AND NERVE PILLS She Was Completely Cured.

She writes us as follows:—
"Gentlemen,—I feel it my duty to express to you the benefit I have derived from Milburn's Heart and Nerve Pills. A year ago last spring I began to have heart failure. At first I would have to stop working, and lie down for a while. I then got so bad that I had to give up altogether and go to bed. I had several doctors to attend me, but they did me no good. I got no relief until urged by a friend to try Milburn's Heart and Nerve Pills. I sent to the store for a box, and by the time I had taken three-quarters of it I began to get relief, and by the time I had taken three boxes I was completely cured. I feel very grateful to your medicine for what it has done for me.—Miss L. L. HANSON, Waterside, N.B."
