

2. The dutiable weight, in the case of goods chargeable by weight, and the weights by reference to which the scope of certain headings or subheadings is defined, shall be taken to be:
 - a) in the case of a reference to "gross weight", the aggregate weight of the goods and of all packing materials and packing containers;
 - b) in the case of a reference to "net weight" or simply to "weight" without qualification, the weight of the goods themselves without packing materials and packing containers of any kind.
3. Pursuant to the first subparagraph of Article 2 (2) of Regulation (EEC) No. 2779/78 (*), the equivalent in national currencies of the ECU by reference to which certain specific customs duties are expressed, or which is used as a criterion limiting the scope of certain subheadings, shall be that obtaining on the first working day of October 1987 to be published in the "C" series of the Official Journal of the European Communities.

However, where a change in the bilateral central rate of one or more national currencies occurs, the provisions of Article 2 (3) of the abovementioned Regulation shall apply.
