On the order:

DEPARTMENT OF CITIZENSHIP AND IMMIGRATION

560. Citizenship registration branch — further amount required, \$4,000.

Mr. Macdonnell: I was very interested in the explanation given by the Minister of Citizenship and Immigration regarding the telephone bill, but I was not sure that I fully understood it. I wonder whether he would try to make it clear to me. It had to do with the distance between here and Newfoundland and various considerations of that kind.

The Chairman: Order. We had carried resolution 559. Has the hon. member unanimous consent to revert to the former item?

Mr. Pickersgill: We can do it later on my regular estimates.

The Chairman: Shall item 560 carry?

Item agreed to.

Indian affairs branch—

561. To provide that the amount of advances outstanding at any one time with respect to loans to Indians under section 69 of the Indian Act, notwithstanding subsection (5) thereof, may total but not exceed \$650,000, \$1.

Mr. Knowles: Would the minister give us an explanation of item 561. It is for only \$1, but we have to look at it rather closely.

Mr. Pickersgill: Mr. Chairman, the last thing I want to do is get into an ideological quarrel with the hon. member for Winnipeg North Centre. I have never, however—and I say this as a prelude to what I am going to say—agreed with his view that legislation

Mr. Deputy Speaker: There are a number of divorce bills on the order paper for second reading, being items 37 to 50 inclusive. Is it agreed that these bills be considered in the one motion?

Some hon. Members: Agreed.

Mr. J. H. Dickey (for Mr. Hunter) moved the second reading of Bill No. 280, to incorporate Victoria Insurance Company of Canada.

Mr. Macdonnell: Is the sponsor going to make any comment?

Mr. Dickey: This is the usual form of bill for the incorporation of a company to carry on business in the branches of insurance enumerated in clause 6, on the performance by the company of the usual financing arrangements which are set out in the bill.

The bill is in the usual form. It is approved by the superintendent of insurance. It has been considered in the other place. If second reading is granted it is proposed to move in the normal manner that the bill be referred to the standing committee on banking and commerce.

Motion agreed to, bill read the second time and referred to the standing committee on banking and commerce.
