

January 28th, 1933.

G. B. Glassco, Esq.,
Executive Secretary,
The Graduates' Society

Dear Mr. Glassco,

I am afraid there is no likelihood
whatever of my going west in the near future, nor do
I think that it is probable the Chancellor will be
in Western Canada. I shall certainly let you know
if at any time there is a possibility of my being
in Victoria or any other part of the West.

Yours faithfully,

Principal
