R. W. Hovey Esq.,
Nashwaak Pulp and Paper Company,
St. John, N.B.

Dear Mr. Hovey:

I am enclosing herewith, -

- a. Copy of a letter received from Mr. Beck
- b. Copy of my reply thereto
- c. Copy of chart discussed by you and me at our conference on February 18th.
- d. Chart which accompanied Mr. Beck's letter to me and which he says was presented to the Research Section as the one on which we had agreed.

From my letter to Mr. Beck you will see how I feel. Frankly Mr. Hovey I am very much surprised. Why in God's name you should present the Chart to your Research Section and say it was the one on which we had agreed when it is different in such important particulars. I do not know why you put in those words "by invitation", and Mr. Beck should add that the purpose of the McGill representative on the Committee was to deal with business administration and allocation
