

## LESSON LXX.

<b>See</b>	<b>Now</b>	<b>And</b>
<b>The</b>	<b>Go</b>	<b>Spread</b>
<b>Cat</b>	<b>Forth</b>	<b>Light</b>

Now, to bring the Book to a Close, I ask you, my Child, Do you see the Cat? By this I Mean do you see Through the One-Tax Plan, and grasp the Thought that it would in Truth make men Free? That Thought is like the Trick which you have seen in a Print on a Card, as in this Cut. It is a lot of Trees, and you are told to Find the Cat. At First you can see no Shape of a Cat, but at last you Find it and it is then so Plain you see it with Ease. So when you once see the One-Tax Plan it will Grow on you in the same Way. The Cat is in the Grove at the Top of this Page. And in the square space you read these Words, "A tax on Land Rent will make us Free." I have Shown you how it will Do this, my Child, and now I bid you Good-By. Go Thou and Spread the Light.
