

cies. But if through
careless in your
up with the slug-
may do—or what is
le affected arts of
very to make up for
you will offend the
and utterly fail to
not know in what
en can be useful—
useful here.

given of your field
cannot but see that
you will require a
of soul for your
the world where a
ently live the easy
or spend his days
literature; but in
either form needs
ere must be fought
may count with
race. When you
speech you enter on
real, and burning
od whose minis-
advance the cause
for your Saviour
shall be so with
ou shall so preach
t, and yet instruct
your flock—Then
I preach so as to
reak up formality,
k, and silence the
d, my dear young
that through the
many for a crown
o Lord. This is
all be my prayer
you well.
