ALL-TORONTO SERIES STAGED THREE GAMES

Clintons in Senior, St. Pauls in Junior, and Aura Lee in Juvenile Returned Victors.

The first three games of the All-Toronto hockey series for 1914 were played
last night at the Arena, and every one
of the games was well worth watening.
The first game was between Aura Lee,
champions of the Beaches League, and
St. Albans, champions of the Anglican
League, in a juvenile fixture, and Aura
Lee won out by the one-sided score of
11 to 2. Forcing from the start, the
Beaches Leaguers were soon on top, and
at half time were leading by the score
of five to nothing. Aura Lee displayed
freat combination and speed and will
take some beating for the championship.
The teams:

St. Pauls (5)—Goal, C. Collett; defence, Green and Smalley; rover, Gilmour; centre, Collins; right wing, G. Collett; left wing, Applegath.

McCormacks (0)—Goal, Garrett; defence, Fleming and Kilgru; rover Donohue; centre, McEvoy; right wing, Peacock; left wing, Waldron.

Referee—Lew. Brown.

The senior battle saw Clintons of the MY.M.A. pull out in the last half from Shamrocks of the Queen City League, by the score of three to one. This game was a hummer all the way, and individual work was greatly in evidence. The winners displayed better combination and were able to stand off their opponents, who had lots of speed. The score at half time was one to one, but Clintons soon got under way in the second half and tallied twice. The teams: Clinton (3)—Goal, Turner; defence, Allan and Gordon; rover, F. Wilkinson; centre. Johnstone; right wing, Frame; left wing, H. Wilkinson.

Victorias and Torontos Play Second Stanley Cup Game -Hockey Gossip.

Toronto fans will see the pros perform at the seven man style for the first time tonight, when the second game of the world's series with Victoria will be played at the Arena. Torontos were much the best at the six-man game Saturday night, and it remains to be seen if they can hold their own with the westerners at the Pacific coast style. The forward pass in centre ice will be in vogue and according to western despatches it makes the game much faster.

Ger.

George McNamara made a great showing Saturday night, and he will again be Marshall's partner on the Toronto defence. Cameron will be moved up to rover, and Cully Wilson will sub for Al Davidson at right wing. If Torontos win tonight they will make the series sure for they will trounce Victoria when it reverts back to the six-man game on Thursday night.

WANDERERS WALLOP VANCOUVER AGAIN

Tourists Outclassed at New York by Sammy's Boys-A Slow Game.

NEW YORK, March 18.—In the second game of the Canadian professional hockey series at the St. Nicholas Rink tonight, the Montreal Wanderers defeated the Vancouvers by 12 goals to 5. The first period ended 4 to 2 in favor of the winning six. In the second period the Wanderers had increased their total to 9 to 3. The contest places the Montreal players in the lead with a total of 20 goals scored in the series to date. On Wednesday Vancouver will meet Quebec. The showing of the winners was principally due to the fine work of Moran at goal. On Saturday night he played a sensational game for Quebec. By mutual agreement he was permitted to play for the Wanderers tonight, and put up his usual excellent game. Had Warwick, the regular Wanderer goalkeeper been before the net, it is a question if his team would have been victorious.

The game was decidedly cleaner than the first contest. Only one penalty was handed out by the officials. In the first period, Ross was given a five minute rest for tripping. Kendall was the substitute. Thruout the game both sides repeatedly changed their players. However, the substitution was not as large as the game on Saturday night.

on Saturday night.

Altho a large crowd saw the game there was very little enthusiasm. In spots the contest was slow and never did it come up to the accepted standard of Canadian hockey. The ice was heavy and sticky and this probably was responsible for the slow play. In addition, the men did not appear to be working, and there was little of the dash generally seen in Canadian hockey contests.

Hall and Malone, both of the Quebec team, were the officials. They caught every off-side play attempted. Both did excellent work. For the Wanderers, the Cleghorn boys, Moran and Hyland did fine work. Nicholls, Patrick and Taylor were the stars of the team from the far west.

Silent John Ulrich Pinch Goal Getter

Sporting Editor World: What do you mean by writing in the paper that I have to depend on Mr. Patrick for directions while fin the game. I never depend on him, except his signals for me to so to the bench or come on the ice. And you wrote I was not a goal getter. How could I score a goal when I was on the ice for only a few minutes? At the coast they called me a pinch goal-getter. At the coast they never called me "Dummy" in the paper. It is vulgar to call like that, Why not call me Jack or Slient? Suppose you are deaf, how would you like to be called "Dummy"? I am not dummy; I am deaf that is all.

John Uhrich,

John Ulrich, Victoria Hockey Club, Champions Pacific Coast Hockey League.

It was not our intention to injure Mr. Ulrich's feelings—far from it. Indeed, we hasten to apologize, and, as other prints have made theerror of referring to Mr. Ulrich as Dummy, instead of Jack or Silent, we would suggest that they, too, make amends by refraining from the vulgar in the future. Our hockey expert states that, while on the ice, he saw Jack apparently glance appealingly frequently to Mr. Patrick, as if for instructions. During that time Silent did not impress one as a sharpshooter the the records, as per above, show the contrary. That is our case, and in our story of the game, we assure Silent John that no offence was intended.

WILL KNOTTY LEE **MANAGE TORONTO?**

Hamilton Papers Think So Federals Busy — Baseball News and Gossip.

Hamilton Times: It will not be surprising at all of George Washington "Knotty" Lee secures the berth as manager of the Toronto Canadian League team, and, judging from appearances at the present time it looks as if "Knotty" will secure the berth. Eddie Holly, who was slated for the job, had a conference with J. J. McCaffery at Toronto on Saturday, but he failed to come to an agreement, and Holly went back to his home in Rochester.

With offers to several members by the Federals on the reserve list of the champion Ottawas and many hold-outs, it appears that Shaughnessy will be at the head of an entirely new ball club by the time May 7 blows around.

Lioyd Rickart, secretary of the Federal League, left Chicago yesterday for St. Louis, where he will begin the work of drafting the league's playing schedule. It was said efforts would be made to avoid conflicts with the better drawing teams in cities which have both National and American League Clubs, and if possible to avoid them entirely in the others.

"Joe" O'Hara, the local outfielder, whose work with the Wellingtons has attracted considerable attention, will join the Toronto Ball Club squad at Marlin Springs and will spend the training period with the Leafs, returning here to join the Toronto Canadian League team. He was with Ottawa for a short trial a year ago, and this season expects to be a permanent fixture here.

Outfielder Claude Cooper of the New York National League baseball team an-nounced yesterday he had signed a three year contract with the Brooklyn Feder-als. His salary was said to be \$5000 per year, of which he received one year's pay in advance.

Mayer, representing a syndicate of Chicago, after Mr. Taft had definitely refused an offer they had made him for the purchase of his stock. What the offer was none of the conferes would say. It is known, however, that the price offered was far below what Mr. Taft considered his stock is worth. Altho at the present time unwilling to meet Mr. Taft's figures, Connery and Mayer said that the deal is not altogether off, as they intend soon to have a meeting of the syndicate which they represent to see what can be done in the matter.
