NOTE.—The School Moneys apportioned to the various Cities, Towns, and Villages, as per the foregoing statement, are payable to the Toronto agents of the local treasurers, on the first day of July next. Wherever the apportionment is withheld, it has been owing to the omission or neglect on the part of the local school authorities to comply with the school law, and to transmit to the Educational Department the necessary reports or audited returns—blank forms of which were furnished from the Department early in the year.

V. QUEEN'S BENCH, HILARY TERM, 24 VICT., 1861.

REGINA V. THE TRUSTEES OF SCHOOL SECTION No. 27, IN THE TOWNSHIP OF TYENDINAGA, IN THE COUNTY OF HASTINGS.

School Trustees—Mandamus—Attachment—Practice.

A mandamus nisi having been issued to school trustees to levy the amount of a judgment obtained against them, on return was made, and a rule nisi for an attachment issued. In answer to this rule one trustee swore that he had always been and still was desirous to obey the writ, and had repeatedly asked the others to join him in levying the rate, but that they had refused. Another swore that owing to ill health, with the consent of his co-trustees and the local superintendent, he had resigned his office before the writ was granted.

The court, under these circumstances, discharged the rule nisi as against these two, on payment of costs of the application, and granted an attachment against the other trustee, who had taken no notice either of the mandamus or rule.

On the 18th of October, 1860, a writ of mandamus was issued from this court, directed to these school trustees, commanding them to levy and collect, or cause to be levied and collected, from the freeholders and householders of the school section No. 27, in Tyendinaga, a sum of money sufficient for the payment and satisfaction of two certain judgments recovered against the trustees of the said school section by one John Waterhouse, for the building of a school-house for the said school section, or to shew cause to the contrary on the first day of Michaelmas Term then next. The writ had been ordered in Trinity Term, 1860.

Copies of this writ, it was sworn, were personally served on the 23rd of October last, upon William Cross and James Glass, two of the trustees of the said school section, and upon Robert Gillespie, another of the trustees, the original writ of mandamus being shewn to each at the time of service.

In Michaelmas Term last an affidavit was made that on search in the Crown office in Toronto, on the 24th of November, it did not appear that the writ of mandamus had been returned as filed. And the court, upon application of Mr. Sisson, the counsel for Waterhouse, ordered a rule to issue upon the trustees to shew cause why an attachment for contempt should not issue against them for not returning the writ.

In answer to this rule, during this term, Cross, one of the trustees, made an affidavit that he had always been and still was willing and desirous to levy the money necessary for satisfying the judgments obtained by Waterhouse, as commanded by the writ of mandamus, and had repeatedly requested Glass and Gillespie, the other trustees, or either of them, to unite with him in making a rate for that purpose; that he had done this both before and after the mandamus came to him, but that they had always refused, and that he could not alone impose and levy the necessary rate. He made a return also to the writ, under the corporate seal, referring to his affidavit for his reason for not executing the command of the writ, and his affidavit and return were annexed to the mandamus.

James Glass, another of the trustees, in answer to the rule nisi for attachment, filed an affidavit, to the effect that, being in very ill health at the time of the election of school trustees in January, 1860, he declined the office, protesting that he could not serve in it on account of the state of his health, but that he was nevertheless chosen: that his ill health continuing, he solicited permission to resign, not being able to discharge any of the duties; and he annexed a letter received from his co-trustees, Cross and Gillespie,
