
CHRISTMAS LOVE AT ST. KAVIN'S

Spend love, and save it not;
In act, in wish, in thought,
Spend love upon this lifetime without stint.
Let not the heart grow dry,
As the good hours go by;
Love now, see earth take on the glory tint.

Open the door to-night
Within your heart, and light
The lantern of love there to shine afar.
On a tumultuous sea
Some straining craft, maybe,
With bearings lost, shall sight love's silver star.

THE END.
