their papers. As a result, 14 men were found without proper papers and were all required to put up \$200 bonds for their reappearance at police headquarters. The Toronto men will report at the Toronto offices of the police tomorrow-and the Hamilton men at Hamilton today. Included in the total of 14 are one or two men taken off the boats docking at Hamilton from To-

ronto and Niagara.

The search for defaulters among th arrangements were such as to do away with any blocking of the traffic, two places being provided for the cars to run into while the examinations proceeded for military papers. Due to the thoughtfulness of the police, they had on hand bonds already made out for the defaulters to sign, thus making it a "raid de luxe."

# In Age

Health and comfort in old age depends largely on keeping the liver and kidneys in healthful action.

Pains and aches, stiffness of the joints, lumbago and rheumatism tell of poisons left in the blood by sluggishness of the liver and kidneys.

People in advanced years hold Dr. Chase's Kidney-Liver Pills in high esteem because of the promptness and certainty with which they awaken the action of kidneys, liver and bowels.

Papers.

Once again the motorists on the Toronto-Hamilton highway were subjects of a search for military papers, the scene of the activities of the civil branch of the military police being at the Hamilton end of the road, near Clarkson, yesterday afternoon.

From noon to night, the operations of the police were carried on, during that time a total of 200 motor cars being stopped and 400 men asked for their papers. As a result, 14 men were under suspicious circumstances and who is her relative. Many thrilling scenes are depicted and finally the papers are found with the aid of the young American with the usually happy ending. Wallace Reid is seen to excellent advantage as Devereux Bayne, the American, while Ann Lixtle is charming as the girl, and both are supported by an all-star cast. The reopening of the "Wayside Market" in the Village of Unionville on Saturday afternoon inaugurated under the auspices of the Farmers' Co-operative Society, and for which preparations had been under way for a long time, was not the unqualified success which the promoters had hoped and believed would mark their efforts. There was a good turnout of the villagers, and a fair sprinkling of farmers, with the products of the field and garden, but there were not many city folk.

Following the great success attending the opening last fall the executive had erected a market building close to the Grand Trunk depot on the athletic field in the southern part of the town at considerable expense, and arranged tables and booths where trading could be carried on in comparative comfort.
