## M'MASTER LAYS HER SON TO REST

Late Prof. G. A. Campbell  
Followed to Grave by  
Notable Concourse.

McMaster University yesterday paid the last tribute of respect to the late Prof. G. A. Campbell at the funeral service held in the Castle Memorial Hall chapel.  
Chancellor McCrimmon in a touching sermon extolled the character and ability of his late colleague. Others taking part were Dean Farmer, Prof. Gilmore, ex-Chancellor O.C.S. Wallace, now of Westmount Baptist Church, Montreal; Rev. C. H. Shutt, pastor of Century Baptist Church, members of Ashlar Lodge, A.F. & A.M., University Lodge, York Royal Arch Chapter, Eglington, attended in a body, as well as the undergraduates of the university.  
The pall-bearers were Profs. McEay and Smith, representing the faculty of the university; W. E. Robertson, representing the Masonic Order and also the University of Toronto; Dr. W. C. Smith, representing Century Baptist Church, of which deceased was a member; Prof. Laing of the University of Practical Science, a friend and neighbor, and Prof. W. S. Fox, of Western University, London, a class mate of the late professor.

The chief mourners were: Mrs. Campbell and her son, Ronald; Prof. P. S. Campbell of McMaster University and Mrs. Campbell, father and mother; Miss Melba Campbell of Winnipeg, sister; Findlay and Duncan Campbell, uncles, and Peter Campbell, cousin, all of Gengarry; Dr. K. A. Blakadar, Gordon Blakadar, R. A. Blakadar, Ottawa, Lloyd Blakadar of Pittsburg, Pa.; Frank Blakadar of Toronto, Ernest Anderson of Lindsay, Herbert Robertson of Barrie.  
Floral tributes were in evidence from the faculty, student body, McMaster Monthly, special classics class, the various undergraduate years, the Masons and numerous others.

### POLICE BENEFIT FUND

New Rate of Permanent Pensions Recommended Based on Half Rate of Pay.

The Toronto police benefit fund committee held their regular meeting yesterday and the question of permanent pensions to be recommended to the board of police commissioners was passed. It was recommended by the committee that all retirement pensions in the future be based on one-half the present rate of pay.

The question of providing pensions for the widows of members of the force who were killed was left to a sub-committee, who will report on their findings at the next regular meeting.  
Acting for the Sergeant George Eakins, P. Hughes has started an action against the Toronto police benefit fund to recover the amount he claims due him as retiring allowance.

It is said that following a medical board, which found him unfit to continue on duty, the board of police commissioners refused to give him the retiring allowance to which he is entitled, but offered to relieve him of some of his duties, suggesting that he revert to first-class constable.

### GUNMAN WAS EXPECTED

Edward Barber, West Bloor street, was arrested by Policeman McDermott yesterday on a charge of carrying loaded firearms. According to the police, Barber some time previous had some sort of dispute with people living on Beatrice street, and last night he set out to revenge himself, having first thoughtfully provided himself with a gun. The people at the house became aware of Barber's intended visit and they notified the police, with the result that McDermott arrived just in time to arrest the expected visitor.

### STREET CAR DELAYS

Thursday, Dec. 11, 1919.  
King cars, both ways, delayed 6 minutes at 6:40 a.m. at G. T. R. crossing, by train.

## CITY HALL NOTES

There was really nothing new at the city hall yesterday so far as election news is concerned, except perhaps that Controller McBride denied that he made the statement on Wednesday night that he would run for mayor. As stated in The World yesterday, the controller will say nothing definite until Monday next.

The threatened action by the provincial authorities in the compulsory vaccination dispute was hardly mentioned around the hall yesterday—it was a three days' wonder and seems to be forgotten, and it would not be very surprising if no more is even heard of the matter. Both the government and the city are in an awkward position, said an alderman yesterday. The government, which is supposed to be democratic, is trying to compel a city council, no less democratic than the government, to put compulsion upon the people. "Why should the city be the goat for the government?" he asked.

The applications made to the board of control by the various city hospitals for money grants for maintenance, etc., were all referred to Commissioner Bradshaw for report. This will be presented to the board today, when it will be found Mr. Bradshaw has severely cut the sums asked for—in some cases by 50 per cent.

There will be a meeting of the harbor board today, at which the work for the next season will be discussed and arranged for. The budget expenditure will also be arranged.

At the request of the harbor board and the board of trade, the meeting called for today at the city hall to discuss the best means of getting the National Railway offices to Toronto has been postponed. The committee of the various bodies will take the matter up with Ottawa and the general meeting will be held at a later date.

George MacLean Rose, president of the Hunter-Rose Company, will most likely be a candidate for alderman in ward three. Pressure is being brought to bear on Ald. Birdsall to stand again in ward six, whilst Aldermen Graham, McMullin and Williamson have definitely decided to retire.

The harbor commission have agreed to develop the waterfront from Woodbine avenue to the city limits if the city will purchase the land. The development will be on the lines of the Humber improvements.

The mayor is in communication with Ottawa relative to the removal of the majority of the Royal Canadian Dragoons from Toronto to St. John, and also the transfer of the P.C.C.L. to Hamilton. The mayor contends that if the present orders are carried out, the city will be left with only about one hundred soldiers of the permanent forces.

Today is Christmas tree day at the city hall. The number of trees which the city will provide will be decided at the board of control meeting. It is expected the board will give each organization which has applied for a grant \$200.

The mayor's secretary, R. W. Clewlo, has resigned, but on the request of the mayor will continue his duties for another month. Mr. Clewlo has been in the employ of the city since 1888. Dr. L. E. Pollock, head of the civic milk control, has also tendered his resignation. He has accepted a position with the City Dairy Company.

Dr. J. B. Fraser, who some time back issued a challenge to swallow a good quantity of germs of various diseases, claiming he was immune, has now issued a milk challenge to Dr. Hastings to prove that pasteurized milk was better than ordinary milk. Dr. Hastings had not up to last night, selected his seconds for the battle. He probably fears the "challenge" may end as unsatisfactorily as did the germ one.

The following permits were issued yesterday from the city architect's office: S. B. Green, four detached

two-story brick dwellings, Regal road, near Lander avenue, \$25,000; S. B. Green, one detached house, Regal road, \$18,000; W. J. Ross, one pair duplex houses, four garages, 530, 532 St. Clair avenue, near Bathurst, \$18,000.

The board have ordered an agreement to be entered into between the city and the Oakal Company for the purchase of the city's garbage.

## ARRESTED UNDER O. T. A.

Louis Sprozie, Elm street, was arrested by Plainclothesmen Knight and Sullivan yesterday on a charge of contravening the Ontario temperance act. According to the police Sprozie was selling the liquor. Albert Robinson, West King street, was also arrested on a B. O. T. A. charge by the same officers.
