RECENT FROSTS HAVE TOMATOES AND CORN

Little Loss Has Been Sustained in District Around Kingsville.

KINGSVILLE, Oct. 18. — The recent frosts have killed all tender foliage, such as tomato vines and corn. The remnants of the tomato crops are being hauled to the canning factory. The corn will not be a total loss, as part of it is in such an advanced stage that it can be used for feed for hogs. Very few crops have ripened.

Dr. Earl R. Harris of Detroit, son of Herbert Harris of Kingsville, who was drafted in the United States army, made a flying trip here to see his parents and family before leaving for Fort Oglethorpe, Ga., where he is stationed at the medical officers' training camp, United States army, Company 2, as lieutenant.

Pte. Jas. McTommy, who was employed by Hugh Lowe, on the section road, before enlisting and going overseas, has been reported wounded and admitted to a hospital in England. He had been in the trenches over a year and gone through the Somme and Ypres, but was wounded at Lens.

Pte. Harry Gibbons, who enlisted and trained here with the 99th Battalion and went overseas was invalided to Canada and has arrived at his home. He was met at the depot by the Soldiers' Welfare Asociation with automobiles decorated in flag and bunting and was driven through the principal streets before being taken to the home of his daughter, Mrs. Albert Pittman, where he resides. Pte Gibbons was in the trenches for several months and received his injuries by being buried under earth caused by explosion of a shell. He was in a serious condition, being crushed and badly shaken up and in the hospital for considerable time. Although he is slowly improving it will be some time before he recovers.
