Corp. George E. Phillips, for eight years a painter and decorator, is reported to have died at a military hospital at Shorncliffe, ac-

ording to word received by him with

Constant Headaches

When the nervous system gets run down one of the most persistent symptoms is headache. Nervous headache has been described as the cry of the overworked brain for more blood.

Because of its remarkable blood-forming and blood-enriching qualities, Dr. Chase's Nerve Food ranks first as a means of overcoming nervous exhaustion, nervous prostration, headache, indigestion, sleeplessness, irritability and all the annoying symptoms of nervous breakdown.

It is not a mere relief, but thorough cure; for it is the only reconstructs the wasted and depleted nerve cells.
