

DELANEY SLIGHTLY FAVORED OVER BERLENBACH FOR TITLE

FRENCH-CANUCK REPORTED TO BE IN FINE SHAPE

Bout Has Developed Into Greatest Betting Classic in Years
NEW YORK, July 9.—Jack Delaney was the target for the professional eyes of Dr. William H. Walker and Dr. Joseph A. Baldwin at his training camp in Bridgeport yesterday. These scientific examinations were satisfactory and there is no question now that Delaney will be in better physical condition in his bout with Berlenbach on July 15 than he has been in his previous engagements. Delaney has been up in the White Mountains roughing it and this sort of diversion is calculated to do almost anybody more or less good.

As the date of the big bout approaches, the chorus of those who favor the challenger grows louder and louder. In an even affair of this kind it is not likely that either boxer will be a favorite. But there is nothing to what extremes unbridled enthusiasm for a boxer may carry one.

FLOOD OF MONEY
The flood of money in support of the challenger kept Delaney a favorite yesterday over Berlenbach. The contest, incidentally, has developed into one of the greatest betting fights in modern ring history. It has been estimated that \$100,000 already has been placed on the battle and that an equal sum awaits takers. Delaney was quoted as a favorite yesterday at odds of 11 to 10. One bet was reported at \$2,500 at even money that the fight will end in a knockout and another of \$500 against \$1,500, or odds of 1 to 3 that Berlenbach will not respond to the bell for the tenth round.

HOST TO WRITERS
Delaney yesterday yielded host to a number of boxing writers who visited the challenger's training camp in Bridgeport, Conn., and were impressed with the form of the French-Canadian as he went through the routine of skipping the rope, working the pads, punching the light and heavy bags and sparring with his camp mates. Chief Deputy Eddy Curry and Deputy Dan Skilling of the New York Athletic Commission inspected Delaney's training and will submit their report to the commission.

MARITIME ROWING CHAMPS AT HALIFAX
Date Set is August 28—Hope to Have Local Boys Compete There
A decision to hold the Maritime rowing championships at Halifax on Saturday, Aug. 28, was reached at a meeting of the Maritime Amateur Oarsmen's Association at Halifax on Wednesday night. The dates for rowing races to be held by Halifax and Dartmouth rowing clubs during July and August were also settled.

ROTHESAY LOSSES
The Saint John Imperials defeated Rothesay 8 to 5 in a game at Rothesay last night. The game was delayed by showery weather, but at the end of half an hour it was decided to proceed with the contest. For five innings the class of baseball banded out by both sides was good, but in the final innings the game was ragged, due to wet grounds and a moist ball. By the end of the fifth the score stood 1 to 0 in favor of Rothesay.

BOUTS LAST NIGHT
ALBANY, N. Y.—Frankie Genaro knocked out Scotty McKewen, Scotland, 10 rounds.

WINS QUEEN'S PRIZE
BISLEY CAMP, Eng., July 8.—C. S. M. Churcher, army champion two years ago, won the Queen Mary's prize in the shoot-off with Lieut. G. R. Hume below, of the 1st Suffolk, tonight. Churcher and Hume were tied for first place with scores of 178 in the competition proper which concluded two days ago. Rumblelow received the silver medal for second place. The match was with service rifles, under service conditions and shot in four periods.

MCKENNA MEETS HARTNETT
Jack McKenna, of Sydney, C. B., holder of the Maritime heavyweight title, and Joe Hartnett, of Halifax, challenger for the distinction, will meet at Halifax tonight. The Halifax press says that both are in fine shape and predicts a big crowd of fans for the show tonight.

Channel Swimmers On Edge Now As Time For Big Test Approaches

Along The Sport Trail

By JOHN J. DUNLOP

TY COBB, than whom there are few greater, as a ball player, is having his troubles these days with his team after the fans of Henry Ford's town had it all figured out that the Tigers were due to occupy first place in the American League race this year. They ran full tilt into a succession of reverses recently that shoved them down into sixth place. Mr. Cobb has had charge of the baseball destinies of Detroit for several years but so far, to use a crude expression, has not delivered the goods and if he can't come through this year, owner Navin may decide on a new man. But a new man is not likely to pull very evenly with "Temperamental Tyrus" and this factor may very well cause Mr. Navin to pause in the interests of harmony on his team. The idea of getting rid of Ty is unthinkable, not merely from the sentimental standpoint but from the baseball angle as well for there's a lot of life in the old boy yet. Every time that Ty Cobb comes to bat these days he sets a new record and it won't be in our time that these marks will be broken. No matter what happens, Ty is due to stay. As a manager, he has not been a howling success, such as Tris Speaker or Bucky Harris. One player-manager who is putting up a quiet but effective battle is our friend Eddie Collins with his Chicago White Sox.

A FAN writes in to say that he believes a team of the younger stars could trim a bunch of veterans here. It is an interesting point. How about trying it out?
THE annual meeting of the M. P. B. to be held early in August at Amherst is likely to be featured by a discussion on the separation of the provinces as far as sports goes, despite the indicative vote recorded at a meeting of the New Brunswick clubs here. Nova Scotia clubs have not spoken definitely on this question yet and it might very well be that the combined strength of the New Brunswick and Nova Scotia clubs seeking provincial control of their own affairs may be sufficient to pass a resolution giving effect to their wishes in this regard. The question then would be passed on to the annual meeting of the Canadian Union here. The question of the presidency also holds considerable interest. "Sammy" Doyle, who is the present incumbent, lives in Charlottetown; the branch secretary, Mr. Quigley, resides in Halifax. It always has been the custom to have the secretary and president selected from the one town in order to save time and expense. Whether this will be done this year remains to be seen.

HANDICAP track and field events here are bound to prove popular and supply much needed competition for local athletes. Practice makes perfect is a saying specially applicable to sport.

Harry Vail Visits New Brunswick Home

Harry E. "Dad" Vail, head rowing coach at the University of Wisconsin, Madison, Wis., accompanied by Mrs. Vail, is visiting Mrs. Vail's sister, Mrs. George Browning, Main street, for a few days previous to their departure for Gagetown, where they will visit Mr. Vail's old home. Mr. and Mrs. Vail are planning on spending a two months' vacation in New Brunswick and Nova Scotia. Mr. Vail, who is looking hale and hearty, said yesterday that he had his eight-oared crew entered in the regatta at Foughekeaple but the Navy eight proved too fast for them. Mr. Vail was asked whether he would take charge of any Halifax crews this year, as he did one recent summer, but he replied that he was here on a visit only and planned to have good rest before returning to his duties in September. Both he and Mrs. Vail are busy renewing old acquaintances.

CHAMPIONS RISK TITLES TONIGHT

Tod Morgan and Pete Lato Swing Into Action in New York

NEW YORK, July 9.—Tod Morgan, of Seattle, junior lightweight boxing champion, faces Johnny Kochansky, Jersey City's best lightweight, in a ten-round bout at Boyle's Thirty Acres tonight. Kochansky can win the Crown by entering the ring within the weight limit and winning by a foul or knock-out, but under the New Jersey laws there can be no decision. Morgan lost to Bud Herman in a bout at Boston in which the title was not at stake.

LATZO IN RING

NEW YORK, July 9.—Scranton's minor champion, Pete Lato, tonight makes the first real defense of his welterweight crown in a fifteen round contest with George Levine, of Brooklyn, at the Polo Grounds. Lato knocked out Willie Harmon, of New York, in Newark last week, putting a sudden end to what was expected to be a no-decision contest. But tonight, if the match goes the limit two judges and a referee will be there to bestow the award.

Boxer Is Killed In Ring Battle

Fatality Mars Bout as 19-Year Old Boy is Knocked Out
WHITTIER, Cal., July 9.—Clarence Johnson, 19-year-old welterweight boxer, known to the ring as Rosey Johnson, died here last night following a fight in which he was knocked out in the fourth round. His opponent was Pat Hallen. Death apparently was caused by a cerebral hemorrhage. An investigation has been started.

Toronto Girl In Phila. Contests

PHILADELPHIA, July 9.—Another assault on United States track and field records starts today when the Women's National A. A. U. championship meet gets underway at the Sesqui Centennial Stadium. Earlier in the week a number of records were shattered at the men's senior A. A. games. Keen competition was expected in several of the events, particularly the 100-yard dash. In this event Miss Pilkey, who holds the United States record of 11.4 seconds, will face Norma M. Grosse, of Toronto, holder of the world's record of 11 seconds; Norma Silk, Chicago; Mabel Morrissey, New England champion, and others.

YANKS' LEAD IS CUT FROM TEN TO SIX GAMES

Mackmen Gain Second Position by Beating Chicago, 8 to 7

NEW YORK, July 9.—First honors in the renewed east-west strife in the Major Baseball League go to the east, although the New York Yankees lost a full game to Philadelphia and Cleveland.
The force of the Indians, not only pitched himself to a 6 to 1 verdict over the Yankees yesterday but also delivered three hits. The Yankee lead has been brought down from ten to six games. Experts predict that the western invasion in the American League will decide the championship.
The Mackmen gained second position in the race by outbating the Chicago White Sox, to give Embank an 8 to 7 victory. Joe Felt had to enter the game in the ninth with a Chicago rally in full blast and he struck out Kamm to end the fray. Joe Poole and Simmons, of the Athletics, hit homers, Poole scoring two runners ahead of him.
Heavy hitting by the Boston Red Sox and brilliant pitching by Weiser downed the Tigers 7 to 3, the sixth straight defeat for the Cobblers. The Tigers drew Willie from the mound in the second but were sorry afterward for Weiser held them to two safeties for the remainder of the game. The Sox made fifteen hits off Wells and Holloway.
Philadelphia captured the only game played in the National, stalling the curves of four Pirate pitchers and 10 to 6 verdict. Wanser, Pittsburgh, and Williams, Phillies, hit homers and other extra base hits were numerous.

Baker weighed 145-12 pounds; Marlowe, 140.

The Saint Johns turned a pass, a stolen base, two hits and an error into two runs in the initial series and got three markers in the fourth on a felder's choice, two singles and Mountain's triple to the left garden.
Young O'Connor, holding down the hot corner for the Trojans, fielded in the field.

One of The Favorites

"BOBBY" JONES, winner of the British open championship, is out to capture the American open as he is the tourney now proceeding at Scioto.

MELHORN LEADS IN OPENING ROUND

Scores a 69 For Record—Jones Gets a 70—Competition Keen

COLUMBUS, Ohio, July 9.—After Hagen's round today there was a rash on the part of his followers to place their bets on his beating Jones for the national open crown, and one of the more enthusiastic laid \$2,000 on him at 6 to 1 to win the title. It is quite likely that big sums will be wagered on the outcome among Jones, Hagen and Macdonald Smith, the Lakeview Club scored \$2,500 here for the purpose of backing their hero against Hagen.
Canadian Press
COLUMBUS, Ohio, July 9.—Ignoring the severe penalties of the links and belling predictions of high scores, Bill Melhorn of Chicago yesterday played so well that he set a record of 67 for the first time and of 68 for the 67th yard course of the Scioto Country Club in the first round of the National Open Golf Championship.
Even with this performance he got the lead of the 151 starters by only two strokes, for Bobby Jones of Atlanta, United States Amateur and British open title holder, failed two openers and one under par in the second half. John Junor of Portland, Oregon, also came in with another 70, but a score of other golfers shot 75 or better. Al Episcopus of Chicago and Joe Turnea of New York landed only one putt each of halving Jones' total, each going out in 35 and coming back in par 68.
A lively struggle is looked for tonight on the West Side diamond when the West Side Kix team and the Assumption aggregation, respective winners of the City and West Side divisions of the Girls' Softball League, meet in the first game of a three-game series for the city championship. Both teams have gone through their sections without a defeat.

Schedule For Boy Scouts' League Fixed

No games were played in the Boy Scout baseball league last evening. The young lads were scheduled to play Stella Maris and these teams will play the postponed game on Tuesday on the East Saint John diamond. The St. Roses were to have played the St. Georges and this game will be played at 8 1/2 on Tuesday on the Victoria Street diamond.
LIVELY GAME EXPECTED.

CANADIAN WILL MAKE ATTEMPT LATE IN AUGUST

Boredom Is Chief Trial of Little Colony at Bleak Cris Nez

CAP GRIS NEZ, France, July 9.—Next to tricky tides and cold water, the chief trial of a channel swimmer is to keep from being bored while awaiting an attempt. The tedium of training is nothing compared to the dreary daily life on this bleak, isolated point of land on the French coast.
Miss Lillian Cannon always finds diversion in her two Chesapeake Bay dogs. They are her inseparable companions, in and out of the water. She takes long strolls at low tide, politics on the beach with the dogs.
Miss Gertrude Ederle reads a great deal in leisure hours, but her ground training consists chiefly of physical exercise and hiking. She has the first means of medicine ball that Gris Nez ever saw and she tosses it about tirelessly, wearing out all of her friends.
FRENCH HOPE
Madame Sion, the French hope for the channel, is an older woman and is never seen indulging in athletic exercises. She does most of her training on the part of his followers to place their bets on his beating Jones for the national open crown, and one of the more enthusiastic laid \$2,000 on him at 6 to 1 to win the title. It is quite likely that big sums will be wagered on the outcome among Jones, Hagen and Macdonald Smith, the Lakeview Club scored \$2,500 here for the purpose of backing their hero against Hagen.

Seals Sheared In Identification Plan

HOWARD, Alaska, July 9.—Harcuts for seals is the latest thing in the Pribilof Islands in the Bering Sea. Ten thousand one-year-old male seals will receive tonorial attention this season. Captain A. A. Anderson, of the United States Bureau of Fisheries vessel Eider, reported on his arrival here. The object of the shearing, Captain Anderson said, was to indicate the increase next year as the seals are slaughtered only in a certain time each year.
ROYALTY ENGAGED.
OLEFEGG, Wotenburg, July 9.—The engagement of Dr. Max Hoenesberg, eldest son of the assassinated Archduke Franz Ferdinand of Austria, to the Countess Elizabeth Ervon Waldburg, is announced. The Countess, who is 21 years old, is the youngest daughter of the Prince of Waldburg.

CANADIAN DAVIS TEAM IS AT CUBA

Elimination Round at Havana to Start Next Week—Men in Good Shape
HAVANA, July 9.—The Canadian Davis Cup team who will meet the Cuban team in the American zone elimination round here July 16, 17 and 18, arrived here yesterday. Willard Crocker, Jack Wright and Arthur Ham, comprising the Canadian team, were met at the steamer by a delegation of Cuban tennis notables. Mrs. Jane Wright, mother of Jack Wright, and the Messames Crocker and Ham accompanied the players. The team is reported in good shape.

But Sweepings Left From Last Year Crop

WINNIPEG, Man., July 9.—What is left of last year's crop on the prairies are mere sweepings or just about 2,000,000 bushels of wheat. A total of 184,142,219 bushels of wheat was marketed on Canadian Pacific lines since August 1 of last year, stated E. D. Cotterell, superintendent of transportation for the western lines of the C.P.R. today.
