### The Kidneys

The office man and the outdoor worker suffer alike from derangements of the kidneys.

Backaches and headaches are among the symptoms. In some cases Bright's disease soon develops, others suffer from high blood pressure until hardening of the arteries sets in.

In order to forestall painful and fatal diseases prompt action should be taken at the first sign of trouble.

Mr. A. D. Mackinnon, Kirkwood, Inverness county, N.S., writes:

"I can highly recommend Dr. Chase's Kidney-Liver Pills to all suffering from weak kidneys. I suffered from kidney disease for a long time. I may also say that for three years I was nearly always troubled with headaches, and no treatment seemed to do more than afford temporary relief. I was finally told of Dr. Chase's Kidney-Liver Pills, and after using a few boxes was completely relieved. I have also used Dr. Chase's Ointment with the best results, and never fail to recommend these wonderful remedies."

POUGHKEEPSIE WOMEN ARM. They Prepare to Protect Themselves Against Attack.

Poughkeepsie, N. Y., Feb. 7.—An announcement was made today that a number of women residing in the eastern section of the city are to arm themselves as protection against attacks in the streets. This action follows the holding up of Miss Anna T. Kitchell, associate professor of English at Vassar College, and two other women by an unknown man.

The women say they will apply for permits to carry revolvers and will use them without hesitation if the occasion arises.

A posse of forty men searched the eastern part of the city today for the assailant of Miss Kitchell.
