LOCAL NEWS

A recital was given last evening at the home of Arnold Young in Seely street. The work of Bayard Currie, the accompanist, was especially noteworthy. Miss Rita Brennan, a member of the faculty of a Southern young ladies' college, and Miss Gladys Gibbon, formerly of the stage, contributed several interesting numbers. Mr. Young was also heard to good advantage.

MEETING OF WORKERS ON MONDAY NIGHT

Time For Talking, Theorizing and Criticism Past—A Clarion Call For Prohibition Workers For Monday Night.

Every man and woman in St. John city and county who wants to see Prohibition in New Brunswick and is willing to work for the same is requested to attend a meeting at the Y. M. C. A. on Monday evening at 8 o'clock for the purpose of getting down to real work. For a generation Prohibition advocates have been looking forward to this event, and any who fall in their duty now will help to put a nail in the coffin of Prohibition. The ladies will be doubly welcome, as it is intended to form a women's organization. It is hoped that the Auditorium will be crowded Monday evening with men and women determined to win in the fight which will remove the temptation from the boys and girls of today who will be the men and women of tomorrow.—(Advt.)

MONUMENT UNVEILED.

Montreal, June 24—In the presence of direct descendants of Dollard Desormeaux and the members of the little band who, two hundred and sixty years ago sacrificed themselves at Long Sault to defend Montreal from the Indians, a statue was unveiled to Dollard in Lafontaine Park today. The unveiling was done by M. Marcel De Verneuil, acting consul general of France in Canada. To offer their services as mediators in the present strike at the Halifax Shipyards.

TO APPEAL DECISION OF BOSTON JUDGE

Washington, June 25—The department of labor will appeal from the decision of Judge Anderson in Boston, holding that communist party to be a lawful organization and releasing seventeen of its members held for deportation.
