GREAT ECONOMICAL OPPORTUNITY AT OAK HALL'S BACK HOME SALE

The great Oak Hall Back Home Sale that is being conducted by Oak Hall at the corner of King and Germain streets, in commemoration of their return to this old home stand, is offering the most substantial savings possible of a wide array of recognized quality for men, women and children.

When Oak Hall prepared for the great celebration they made quality the foundation of their whole elaborate structure. Prices, of course, were a very important factor in getting together this immense stock, but the final decisions were all made on the quality of the merchandise.

Quality is so dominant, and at such low prices, that those who have already taken advantage of this Back Home Sale have immediately advised their friends to do likewise. What better recommendation could possibly be given? There are men's suits of unusually high quality even for the original price of \$35, that are being offered at \$28.65. Boys' suits at \$10.89 that are easily in the \$16 quality class. Women's beachwear, undershirts at \$3.65 that have a \$5.25 quality valuation, and so it goes through a list of hundreds of quality items all at radically low prices.

The end of this Back Home Sale is drawing near, so it behooves those of you who are really desirous of economizing to take advantage of this opportunity today.

ALBERTA FARMER WANTS WIFE "WHO WOULD NOT BE AFRAID OF WORK."

John L. Lake, aged twenty-six, of Peace River county, Grand Prairie, Alberta, Canada, a hard worker, wants for a wife a Boston girl who "would not be afraid of hard work," to become mistress of his heart and farming domain. Accordingly he writes to Mayor Peters as follows:

"I am taking the liberty to write. I am a bachelor. In this country I have 800 acres of land. I am doing my own housekeeping, beside working the farm, so you see I am working under difficulties."

"I thought I might get you to give my address to some good girl that would

The Choice of People of Culture

In homes where good books, pleasing pictures and comfortable living express the taste of people of culture, it would be expected that a tea of fine quality would be served.

It was to meet the taste of such people that Red Rose Orange Pekoe Tea was produced.

This extra quality tea consists of mountain grown Orange Pekoe imported from the best tea gardens where unusual care is taken in the selection of the seed, the cultivation of the soil, the plucking of the leaf and the final preparation of the tea for market.

Those who are able and willing to pay an extra price for a very special tea are recommended to try Red Rose Orange Pekoe Tea.

Sold only in our new package—the waxed board carton.

GERMAN PAPER MONEY IS ON THE INCREASE

Bank Note Printing Only

Flourishing Industry of the

Country, Former Minister

States—Production the

Remedy.

Berlin, April 24—(Associated Press Correspondence)—Germany's paper money now in circulation amounts to 60,000,000 marks and is increasing by 1,000,000,000 marks a week, declares August Mueller, former minister of economics.

The printing of bank notes is the only flourishing industry in Germany today, he writes in an article in the Abendblatt. He attributes this activity in printing of money to government subsidies undertaken in a vain effort to reduce the prices of food and also to the continual increasing of salaries "to an absurdly growing officialdom, who find next day they are no better off, owing to the overnight decline of the buying power of the paper mark."

Germany's indebtedness, says Herr Mueller, is now about 280,000,000 marks. This, he adds, is, perhaps, re-

deemable at the present low value of the mark, but never if it recovers even half its former value.

Herr Mueller is unable to see a remedy except in increasing production which, he says, seems to preoccupy the present rulers of Germany less than the anxiety to keep in office.
