RESIDENTS UNITE FOR BETTER STREET

Cranston Avenue Dwellers Will Press Claims on City Council

Property owners and residents in Cranston avenue have decided to organize in order to press more strongly on the City Council the need of improving the roadway from Rockland road to the city hydro station. A meeting of those interested was held last evening in the store of H. L. Codner, Cranston avenue. It was pointed out at the meeting that a petition had been presented the Common Council asking for improvements to the roadway in Cranston avenue, but the city commissioner had decided that the cost would be too great and took no further action. A committee was appointed to draw up a plan of organization and another meeting will be held next Wednesday when a definite plan of action will be considered.

PLEADS GUILTY ON 2 LIBEL CHARGES

Montreal, May 30.—Pleading guilty to two charges of defamatory libel, John Roberts was today given a little fatherly advice and a suspended sentence by Mr. Justice Wilson in Court of King's Bench.

The two charges were laid in 1922 on the complaint of B. H. Bryan, of Logan and Bryan, and referred to assertions made by the accused in a weekly newspaper. In 1922 the accused pleaded "not guilty" but this morning he appeared with his counsel and asked permission to withdraw the plea and substitute one of guilty.
