Ayer's Sarsaparilla

A compound remedy, in which we have labored to produce the most effectual alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective anticlute for the disease. Sarsaparilla is required to core. It is believed that such a remedy is wanted by those who suffer from Strangous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our afflicted fellow-citizeas. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

Schoffla and Schofflors. Complaints,
Respective and Schofflors. Schofflang, Phipping, Bauterors and Earpfrite Discass, Uceus,
Phipping, Bauteries, Temors, Salt Harm,

PARTHONS AND EMPTITE DISEASES, ULCERS, PARILES, BATCHERS, TOMORS, SAIT HREUM, SCALD HEAD, SVPHILLING APPRICANCE, SAIT HREWAY, PARILES, OF THE DEPOCRATE, DESCRIPT, DESPRESSA AND ENDORSES, DESIGN, DESCRIPT, DESCRIPT, ANTONY'S FIRE, and indeed the whole class of complaints arising from Impurity of the Blooders.

class of complants arising from Impurity of the Blood-ass.

This compound will be found a great promoter of health, when taken in the spring, to expet the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are imped in the bad. Multitudes can, by the aid of this remedy, spare themselves from the endurance of foul cruptions and ulcorous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, cruptions, or sores; eleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even when en particular disorder is felt, people enjoy better health, and live

you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of hie disordered, there can be no lasting health. Sooner or Inter something must go wrong, and the great machinery of 1% is disordered or overthrown.

Saraparille has, and deserves much, the reputation, of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparationa, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been missed being where done is not only the properties of the content of the content of the content of the partle of the virtue of Sarsaparilla, or any thing else.

contain but little of the virtue of Sarsaparilla, or any thing elec.

During late years the public have been misled by large bortles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly alespised, and has become synonymous with imposition and chicat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of oblequy which acts upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the discasses it is intended to cure. In order to secure their completoeradication from the system, the remedy should be judiciously taken according to directions on the DRE JACON DE STATES AND THE STATES BY
