NELSON CONTESTED ELECTION. Coun. Lawlor brought up the matter of the disputed election in the Parish of Nelson and submitted the following peti-tion which was read by the Secretary-

Preasurer: — We. William Walsh, James Murphy We, William Walsh, James Murphy, and Peter Gorman, the undersigned, electors of and residing in the Parish of Nelson, in the County of Northumberland, electors of the Municipality of Northumberland, are of opinion and hereby declare that we are of opinion, that the election berland, are of opinion and hereby declare that we are of opinion, that the election of Councillors in the said Parish at the last annual election of Councillors for said Municipality, has not been legally or properly carried out, and we do hereby enter this our written protest against said election, or pretended election under chapter 99 of the Consolidated Statues and the Bye-law and Regulations made by the said Municipality of Northumberland thereunder; and we do hereunder state, under oath, our grounds and reasons for making such protest, and the facts on which we found the same.

And we, the undersigned electors and residents of the said Parish of Nelson, do hereby severally make oath and say as follows:—

hereby severally make oath and say as follows:—
That, as a matter of fact, John P. Burchill of the Parish of Nelson aforesaid was duly qualified to be nominated and was actually and duly nominated as a Candidate for the office of County Councillor for said Parish at the annual election held in and for said Parish on Tuesday, 26th October last, being the 4th Tuesday in October 1880.

That Thomas Ambrose, the uncle of Thomas Flett, hereinafter named, was the Chairman of district No. 1 in the said Parish of Nelson on the occasion of the said election and, in our opinion, improperly returned Allan M. Saunders and Thomas Flett as the Candidates elected. Because we say, as regards the said Allan M. Saunders, that in our opinion, he was never legally nominated as a Candidate at said election, and, as a matter of fact, dil not file a memorandum with the Parish Clerk on or before the Friday previous to the election, a declaration of nomination,

sec. the Chairman could make his return at any time within 10 days after closing the election, and by that section he is also required to state, in such return, the number of votes for each candidate; this, it is submitted, he could not do if, as was the case in this instance, the perturns of one of the in this instance, the returns of one of the

That we are informed and verily believe the said Chairman of District No. 1 insisted upon declaring that Allan M. Saunders and Thomas Flett were elected at 10 clock of the morning of Wednesday, 27th October, although he said the returns from one of the districts had not come in, and he would not wait, although it was explained that the returns of district No. 3 could not come in till the train could arrive from Carleton Station; and a telegram from Carleton Station; and a telegram was shown him by the said John P. Burchill from the Collector of Rates showing what the returns were, viz:—

That we are informed and believe that the returns from District No. 3 arrived at Newcastle by 12 o'clock noon of the said Wednesday, but the Chairman of District No. 1 refused to accept them, saying they were too late, 'and we are also informed and believe the returns came from Carleton Station by the very first train that they could come by after the voting and closing of the poll there—namely, by the freight train which left Carleton on Wednesday morning—the only other train

delayed by the badness of the roads, though he had two men to assist him for 4 or 5 miles. It was ordered that the explanation b eceived and Coun. Sullivan excused.

Councillor Sullivan stated that Jame Nowlan, a resident of Hardwicke in June '79, paid for 3 days Roadwork in Chatham at 30cts, a day, and, in the same month was requested to perform statute labor in Hardwicke or pay. He did neither, and port on Mr. Davidson's application. an execution was served against him, making the amount \$2,40. And whereas a sufficient number of days have not elapsed.

Resolved that we grant license for no louger time than six months, which will bring the law into effect, being the termination of the semi-annual licenses.

Couns. Tozer Swim and others seconded

Application for a Tavern license for one year was made by Mr. Michael Hickey. Coun. Loggie moved, seconded by Coun. Pond, that no Licenses be granted until Thursday, on the ground that there were differences of opinion as to the time for which licenses should issue.

Coun. R. B. Adams opposed the motion on the ground that the Council had no power to refuse to grant licenses. It seemed, he said, that in three days the Scott Act would be in force and this was a plan to prevent licenses from being issued at all.

Some members here reminded Coun. Adams that the Scott Act could not, in any case, be in force until 4th Feby.

Coun. Adams argued the question further and thought nothing was to be gained by delay.

Coun. Lawler said, if the granting of Licenses for six months was all, the resolution might pass, but it went further, asserting that the Temperance Act would come into operation on the expiry of the 6 months. Licenses this year. This was not the case. It would be merely delay ing the operation until July next year, as the Act could not come into operation until Feb. '82.

At the request of Coun. Burchill, Coun. A. Adams read a portion of the Act.

Some interest way to way, as regards the solid parts of the control of the contro

He had been to take the plot in question, be the same as those on which adjoining lands were sold. The land had been lying there for 50 years and never used. He contended that the plot, in question was between other lands of his and the road, and that there would be no outlet for him unless he had this lot. He believed the Council had settled with others and he asked to be treated in a similar nanner. There was a talk of bringing an action, but if that had been done there would have been a bill of costs to pay. The Warden took the chair at 10 o'clock He had told the Sec-Treas, that he would appear before the Council on the first day of the term, and accept service at once if necessary. (Mr. Davidson here produced a rough plan of the lot in question, which was shewn to be in the vicinity of the iail.)
