THE HARTLAND ADVERTISER

PUBLISHED EVERY SATURDAY.

SUBSCRIPTION RATES: \$1.00 a year in advance

FRED H. STEVENS, - Editor & Publisher.

HARTLAND, N. B., FEBRUARY 4, 1899

With this issue THE ADVERTISER closes its second volume. It has had two years' cruise on the stormy sea of newspaperdom, and is still above the waves and sailing before the breeze. We do not regret our venture, and are proud of the patronage we've won. It is fitting today to thank our advertising patrons, and our subscribers, now numbering nearly one thousand, for their generous support, and for the very kind words of appreciation spoken from time to time.

When this sheet made its debut it said, "—irrespective of any party we shall be fearless in demanding our just rights and outspoken in exposing public wrongs. We shall therefore aim to be impartial, but not neutral. THE ADVERTISER will be a local newspaper—its mission will be to serve, fresh and crisp, each week, the local news and items of interest, and to favor any movement which tends to the welfare of the village. With this object we feel sure we shall have the confidence and good will of the public."

Have we obtained it? Have we not adhered to our principles?

The results of the reduced rate of letter postage is not a little surprising. If Hartland post office could be considered a criterion, the post office will realize a large increase in revenue. Postmaster Barnett's statement in another part of this issue shows a net increase of 1850 letters, and a financial gain of \$20.15 in January over the same month last year.

Fire Alarms.

On Saturday a burning flue gave rise to a fire alarm; and on Wednesday evening at the close of the Methodist prayer service one of the large lamps of the church fell, the oil spilled and ignited. The blaze was soon extinguished, but not before an alarm had been rung.

In Madawaska

Fred La Forest, Bellonie Violette are to contest Madawaska for the government, according to advices early this week. Bertrand will be one to run the Opposition ticket.

Tomorrow's Services:

Free Baptist preaching service by the pastor, to-morrow at 10.45; preaching service in the Methodist church at 7 o'clock.

The "grip" has struck the village with great violence, but as yet there are no fatalities. This week, among other victims, it numbers Ernest Jack of the People's Bank, John Gillin, Fred. H. Stevens, Walter Coes of the ADVERTISER, Albert Tracy, A. W. Rideout, Mrs. Plummer, Mrs. Raymond. The druggist and physicians are kept busy.

They guarantee perfect satisfaction or goods returnable, and no charge made.

In many cases persons are fitted with Glasses when there is no need for them. But the average Spectacle pedlar and Jew "Optician" recommends glasses whether they are needed or not, and when the person who is cheated finds that the Spectacles are of no benefit, the pedlar is gone.

Estey & Curtis examine the Eyes Free of Charge.

We believe some of the people can be humbugged all the time, along some lines, but we believe Mr. Jew "Optician" has done all the business he can in this vicinity.

If You want Spectacles give us a call.

We have as fine a test case is used in Canada or the United States. We guarantee perfect satisfaction or money refunded.
