NOORNA WINS.

MONTREAL, Aug. 8.—Noorna, this afternoon on Lake St. Louis captured the third race for the Seawanhauk cup and the score now stands two to one in favor of the Canadian defender.

The course was two miles to windward and return three times and the race was sailed in a fifteen knot breeze.

The Yankee led ten seconds at the start, but was passed after 300 yards had been covered. From this until the finish the defender showed her stern to the challenger and crossed the line 3 minutes and 45 seconds in advance.

White Bear lost on every but one of the six legs, and this was on the last—the run home, when the challenger gained 28 seconds.

Just after crossing the finish line the Noorna met with an accident, which would have lost the race had it happened earlier. The gear for hoisting the mainsail gave way and the sail came tumbling on the deck.

NEW YORK COMES NEXT.

NEW YORK, Aug. 8.—The advisory board of the Amalgamated Meat Cutters and Butchers' Workers Union of North America at a meeting tonight decided to order a strike in New York and vicinity, between 5,000 and 4,000 men will be called out. Slaughtering will stop at 8 o'clock tomorrow morning, and 24 hours will be spent in cleaning up, so as to leave the abattoirs in good condition.

Ten people will see a placard of "To Let" on your house to about every ten hundred who will read your "To Let" ad. In these columns. Which way is the wisest—the "Placard way" or the "Want ad. way"?

BASEBALL.

There was no regular league game last evening, but the Franklins and Clippers played an exhibition match on the Victoria grounds, which resulted in a win for the seniors and boys. Both teams were off form, and consequently did not play their usual snappy game. Case was touched up for six safe hits by the Franklins and gave six men a walk. "Boiler" Duren pitched a fine game for the Franklins, striking out four, and letting none walk. Three hits were made off his delivery in the four innings.

A REGULAR CIRCUS ACT.

A horse attached to a light rig became frightened on King street, near the foot, yesterday forenoon and ran up the hill and into Gorman street.

It was cutting a lively clip towards Wellington Row in a zig-zag fashion. When in front of Goodwin's fruit establishment it was cleverly stopped by Mr. Parlee, one of the Goodwin teamsters. The old gentleman seeing the animal dashing towards him jumped on his stoer, jerked his horse into a lively step, completely blocking the runaway's progress. Thus stalled the frightened horse was taken captive, and in a minute or so its owner, John Bain, hove in sight.
