

**Purchasers Are Entitled to a Common Stock Bonus**

Have you ever thought of the advantage of buying bonds or preferred stock with a common stock bonus?

It often turns out to be a very profitable investment. Take, as an instance, the undermentioned securities, which we offer in lots to suit purchasers, and with which is given a substantial bonus of common stock.

Hewson Pure Wool Textiles 7 p. c. Preferred Stock.  
Nova Scotia Clay Works 7 p. c. Preferred Stock.  
North Atlantic Fisheries 7 p. c. Preferred Stock.

In the first place, these securities afford a safe investment, yielding a good interest return, and then there is a possibility of a very profitable investment in the common stock.

As the position of the companies improve, the price of the common stock will increase, and when, in a few years, these companies are in a position to pay dividends, investors can sell their common stock holdings at a good profit, or retain them and further increase their interest income.

Full particulars regarding any of the above issues will be sent upon application.

**WHERE DOCTORS FAILED TO HELP**

**Lydia E. Pinkham's Vegetable Compound Restored Mrs. Green's Health—Her Own Statement.**

Covington, Mo.—"Your medicine has done me more good than all the doctor's medicines. At every monthly period I had to stay in bed four days because of hemorrhages, and my back was so weak I could hardly walk. I have been taking Lydia E. Pinkham's Vegetable Compound and now I can stay up and do my work. I think it is the best medicine on earth for women."

—Mrs. JENNIE GREEN, Covington, Mo.

**How Mrs. Cline Avoided Operation.**

Brownsville, Ind.—"I can say that Lydia E. Pinkham's Vegetable Compound has done me more good than anything else. One doctor said I must be operated upon for a serious female trouble and that nothing could help me but an operation. I had hemorrhages and at times could not get any medicine to stop them. I got in such a weak condition that I would have died if I had not got relief soon. Several women who had taken your Compound, told me to try it and I did and found it to be the right medicine to build up the system and overcome female troubles. I am now in great deal better health than I ever expected to be, so I think I ought to thank you for it."—Mrs. O. M. CLINE, S. Main St., Brownsville, Ind.
