"My son Laurence was taken down

with Pneumonia," says Mrs. A. O. Fisher,

of Newmarket, Ont. "Two doctors at-

tended him. He lay for three months

almost like a dead child. His lungs

became so swollen, his heart was pressed

over to the right side. Altogether I think

we paid \$40 to the doctors, and all the

time he was getting worse. Then we

commenced the Dr. Slocum treatment.

The effect was wonderful. We saw a

difference in two days. Our boy was soon

strong and well."

Here is a positive proof that Psychine

will cure Pneumonia. But why wait till

Pneumonia comes. It always starts with

a Cold. Cure the Cold and the Cold will

never develop into Pneumonia, nor the

Pneumonia into Consumption. The one

sure way to clear out Cold, rest and branch,

and to build up the body so that the Cold

won't come back is to use

a fine program is being prepared.

SHOPPING

Shopping is a form of cruelty in-
dulged by married ladies toward their
husbands. It is incipient in young
girls, reaches an active condition in
brides, and arrives at its most virulent
stage between the tenth and the
twenty-fifth year of married life.A small, delicate, slight, nervous,
sensitive woman, who would faint
away at an empty mouse-trap, will go
through the shopping district in two
to seven hours, and come out refreshed
and sustained by an unflinching trust,
if her husband's credit is good, while
that gentleman at the end of forty-five
minutes has to be carried home on a
stretcher. Some women are born
shoppers, others achieve it, but not
one of them has it thrust upon her.Shopping is extensively practised on
week days, beginning on Monday with
a rush and ending on Saturday in time
for the opera. It promotes industry.
Without it married men would have
time to rest.—JANUARY DELINEATOR.

TRY THIS FOR YOUR COUGH

To relieve a cough or break up a
cold in twenty-four hours, the follow-
ing simple formula, the ingredients of
which can be obtained of any good pre-
scription drugist at small cost, is all
that will be required: Virgin Oil of
Pine (Pure), one-half ounce; Glycer-
ine, two ounces; good Whisky, a half
pint. Shake well and take in tea-
spoonful doses every four hours. The
desired results can not be obtained un-
less the ingredients are pure. It is
therefore better to purchase the in-
gredients separately and prepare the
mixture yourself. Virgin Oil of Pine
(Pure) should be purchased in the
original half-ounce vials, which drug-
gists buy for dispensing. Each vial is
securely sealed in a round wooden case
which protects the Oil from exposure
to light. Around the wooden case is
an engraved wrapper with the name—
"Virgin Oil of Pine (Pure)"—plainly
printed thereon. There are many imi-
tations and cheap productions of Pine,
but these only create nausea, and nev-
er effect the desired results.
