SHOE POLISH

"I tell you, Boss, people are so particular about the Shoe Polish they use that they ask me each night to be sure and use "2 in 1."

It's easier for me, too, and you should see the smile I get in the morning."

Why "Chateau Brand" Pork and Beans are Digestible—

No home oven can make baked beans thoroughly digestible.

Because no home oven can generate a sufficient amount of heat, and maintain it long enough.

"Chateau Brand" Pork and Beans are slowly baked in small quantities at a time at an even heat from start to finish.

By this process beans are neither burnt nor broken but every particle of the bean is mealy and perfectly cooked.

It's this thorough baking process that prevents "Chateau Brand" Beans from fermenting when eaten, and makes them so perfectly digestible.

A substantial piece of choice pork is found in every can of "Chateau Brand" Baked Beans.

"Chateau Brand" Baked Beans are prepared either plain or with tomato sauce and sold in **three sizes** at **10, 15 and 20 cents** a tin.
