

Intramurals

George Hubbard, 858 Brunswick St., Fredericton, N.B. E3B 1J1. (Phone 455-7312). Registration on Oct. 20 will be at Wilmot Park near wading pool on Woodstock Road between 12:00 p.m. and 1:30 p.m.

The courses are flat and scenic for both fun runs. Refreshments will be provided before and after running. Changing/Shower at the YMCA.

If you can run, jog or walk, please join in. This is for fun-runners (not speedsters), so everyone should have a great time. If you have been active at all you are capable of completing the 2 mile course. We would love to see you there.

WOMEN'S SOCCER CLUB

Last weekend the UNB Women's Soccer Club travelled with 12 players and a coach to Machias, Maine to participate in a soccer tournament, their first major competition of the season. The tournament was hosted by the University of Maine at Machias which is a small University of 700 people. There were 4 teams present, UNB, Acadia, Woodland, Maine and Machias.

UNB's first game was Saturday afternoon against Woodland. UNB won the game 2-0 with goals from the Smith sisters, Shona Smith and Caroline Smith, scored on a penalty kick (one of 3 in the game) scored for UNB on a "weave" play from center. It was a well played game by UNB.

Our second game was against Acadia and it was played immediately after our first game Saturday afternoon.

Acadia won the game 5-1 but it was still a well played game by UNB. Acadia was awarded 2 penalty shots in their win over UNB. Scoring for UNB was Carolin Boushel.

Saturday night saw a supper social hosted by Machias at the gym. All the teams attended and enjoyed a good meal followed by a tour of the campus.

Sunday we played our third and final game at 10:30 a.m. against Machias. They provided a good strong game and had some good scoring chances but UNB prevailed. UNB won 2-0 with Caroline Smith and Carolin Boushel scoring. Sue Keirstead played in net for UNB for the weekend.

The team left Maine Sunday afternoon and headed home, knowing that they played very well together as a group considering that it was the first time that those 12 girls had played together. Everyone had a lot of fun both on and off

the field and we are looking forward to our 2nd Annual soccer tournament at the end of October when hopefully Maine, Acadia and other teams will be participating. Our thanks to Donnie McKinnon for travelling with the team and to everyone who participated in the weekend tournament.

The team is still practising twice weekly and is hoping to get some more exhibition games in before AUAA's in October. The team has played 1 exhibition game against the F.H.S. girls' team. That was played September 22 at F.H.S. UNB won 2-0.

The team will travel to Halifax to represent UNB at the AUAA tournament Oct. 20 and 21.

For their final event of the fall outdoor season the club will host an invitational tournament the last weekend of October.

Anyone interested in additional information Women's Soccer should contact Donnie McKinnon 457-0842.

UNB/STU CURLING CLUB GENERAL MEETING

All students interested in curling this year are encouraged to attend this meeting.

Last year, the Curling Club saw a large increase in membership and we hope this year that we get another large club. Last year we had three bospiels that went very well. The curlers had a lot of fun and some good curling. Also last year we sent three teams down to the AUAA Invitational in Acadia. The teams that went curled very well and had a lot of fun.

This year we plan to have more events for the curlers in the UNB/STU Club. Such events will be more funspiels, entering Capital Winter Club Spiel and Club's spiels in surrounding areas.

This we plan to hold a N.B. AUAA ranking spiel in order to rank teams going to the AUAA

The Rebels Yell

UNB/STU Rebel's Women's RFC (Rugby Football Club) returned home from a Mount Allison Tournament in Sackville with some impressive news. The Rebels demonstrated a strategic, clean, hard-hitting game, with chants of crush, kill, destroy leading them to victory over Fredericton's Loyalist Ladies. Team member June Dobson scored the two tries for an 8-0 score.

Short one player due to injury and lacking some good defensive play, the Rebels were defeated by the Mount

Invitational, 2 girls and 2 guys.

This year we will try to offer instruction for all levels of curlers, starting with a trip to St. John on the weekend of the 20-21 of October. This will be a Level I Technical clinic for experienced curlers.

We welcome all beginners who would like to learn how to curl and we hope the experienced curlers on campus will come this year to improve the club's curling.

The meeting will be on October 9, 1984, Tuesday night at 7:00 p.m. in Rm. 26 of the SUB.

INTRAMURAL ICE HOCKEY

As of Press deadline there were no more openings in the Intramural contact league. There were, however, a number of openings in the non-contact league. Again we encourage participation in this league. If your team did not gain entrance to the contact league then why not give non-contact a try. Who knows, maybe you'll have fun.

Volley into a weekend of fun with COED RECREATIONAL VOLLEYBALL. If you're interested in playing, the deadline for entry forms up at the Recreation Office in the L.B. Gym anytime before this. All UNB/STU students, faculty, staff and alumni are welcome. So get your teams together and come out for a weekend of fun!

VOLLEYBALL

Intramural Volleyball will be starting shortly and we are in need of officials. If you have a knowledge of the game, we would appreciate your help. If interested, contact the recreation office in the Lady Beaverbrook Gymnasium Room 121 on Monday thru Friday from 10:00 a.m. to 2:00 p.m. or for further information call Andre (chief-referee) at 454-5337.

A SPORTING CHANCE!!!

By REGAN LEGASSIE

"The Varsity Blues have scored! The Varsity Blues have scored! Those were the words that echoed from the University of Toronto broadcast crew seconds after Tom Callahan scored the game winning goal in game number one of the CIAU Eastern Regional Hockey Final last March at the Aitken Centre. The game had been tied at two up to that point and the Red Devils had been playing an excellent hockey game, keeping the awesome Toronto firepower in check and coming up with a few good scoring chances of their own. Destiny, however, was not with the Devils and a strange bounce onto the stick of Mr. Callaghan put the game away for the Blues. The loss seemed to take the zip out of the AUAA champions because in game two the next day, the Devils could not reach the level of intensity that had almost earned them a victory the night before. Despite a valiant comeback effort in the third period, UNB lost the game 5-2 and gave the Toronto Varsity Blues the best-of-three series in two straight games.

This weekend the Blues are back in town for a pair of exhibition games and although the intensity of a playoff series is not present, they still promise to be a pair of excellent hockey games. The Red Devils are icing one of the best teams in years and although regulars like Bluteau, Mancuso and Rochford are missing some new names have been brought in to fill the vacancies. Charlie Cameron, Robbie Forbes and John Leblanc are just some of the rookies, and when coupled with returnees like Terry Balcom, Mark Jeffery and Mark Welton the goal scoring production should certainly improve. The biggest question this year has been finding a replacement for Kevin Rochford. The fact of the matter is you DON'T replace a Kevin Rochford, you find a goaltender that is capable of playing the same calibre of hockey. For this Donny MacAdam shouldn't have to look any further than his bench. Jamie Frizzell did not play much last year but he did make the most of his chances, and given a fair chance he should prove to be the answer to the Devils' goaltending Question this year.

The Varsity Blues themselves have undergone some changes. The most obvious is the loss of last year's coach Mike Keenan who is now the head coach of the Philadelphia Flyers of the NHL. This problem was easily rectified however with the announcement that former Winnipeg Jets coach Tom Watt will be patrolling the ice behind the Toronto bench. Watt is no newcomer to college hockey, having coached the Blues to a couple of National titles back in the early 70's as well as being named CIAU Coach of the year in the 1970-71 season, exactly 10 years before he took the same honors in the NHL. Coach Watt has also been involved in the Olympic program in previous years and there is no doubt that he is capable of compiling a winning hockey team. One player that Tom Watt will have to do without this year is last season's top goalscorer in the CIAU, Andre Hidi. Last year Hidi posed a major problem for the Devils collecting 5 points in the two games. This year however, Hidi is currently in training camp of the Washington Capitals and has already collected a point or two in exhibition play. Of course, I would have to be a fool to say that losing Hidi will hurt the Blues but, with a player of that calibre out of your lineup it makes it a little harder to count on someone to score 3 or 4 points a game. With a campus as big as Toronto though, rest assured that somewhere out there, walking the hallowed halls of the University of Toronto is another Andre Hidi just waiting to break out and wreak havoc on the CIAU scoring statistics.

Enough of my raving for this week though. The only way to really get the scoop on the rematch is to invest your money in a ticket for what should be the most exciting hockey game in town (never mind the fact that it is the only hockey game in town!) and judge your self whether or not it was a good series. If however, you find the tickets are sold out and you haven't got one, have no fear, both games will be broadcast live on CHSR-FM and you won't miss a thing. The stage has been set for the rematch between these two hockey teams and it should prove to be as exciting as last years games.....WITH A SPORTING CHANCE!!!
