My dear Harold:

Very many thanks for your kind letter. Do wish I could have seen you on this trip. J. S. McLean felt quite badly that you had not let him know the night before as he wanted to have you out to his house, and I can assure you it is worth going to see.

Am very happy to have this volume of Shakespeare and will try my best to see that I do not lose it on the way around the country.

Yours very truly,

Col. G. Harold Aikins, K. C.,
Winnipeg, Man.
