Ht. Hon. Arthur Meighen,  
The Senate,  
Ottawa, Ontario.

My dear Mr. Meighen:-

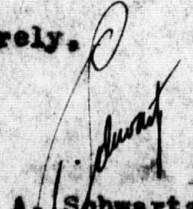

This will introduce to you Sir Anthony Jenkinson,  
of London, England, who is travelling through Canada  
on a voyage of exploration.

Sir Anthony has done outstanding work recording his  
observations of people and events in other countries  
and wanted to meet worthwhile Canadians while he is  
in the Dominion.

It is a great pleasure to give Sir Anthony this note  
of introduction to you and I will greatly appreciate  
anything you can do for him.

With very cordial regards,

Sincerely,

  
A. Schwartz.
