Dear Sir:

KM
RH

I have your letter of the 23rd of June regarding future orders for Baskets. I am afraid that we cannot place orders at present as the order for 12 dozen Baskets was not filled when promised. We have been able to persuade the firm who placed this order to accept the 7½ dozen which were sent, although they were not very well pleased at the shortage.

The proper procedure regarding the account would have been to submit the voucher, but I have had one prepared here, and enclose copy for your information. The Voucher has been passed for payment and a cheque will reach you in due course.

Although the price originally quoted was \$1.20 per dozen, we are making payment at \$1.50.

Yours very truly,

R. A. Hoey
Supt. Welfare & Training Service.
