

I went back to the
kitchen, on the way I 888
saw Pte Duley & Pte Gurner
talking, on entering the
canteen, Pte Duley said
to Pte Gurner: "I have a
young man" - the latter
took me to my billet.
Pte & Pte and Pte Gurner
were there. Pte & Pte
took a tin from off my
bed & said, "Where did
you get this?" I said: "I
know nothing about it &
have not seen it before
unless it is the one I got
from the Dumps yesterday."
I did not steal
the can; I did not put
it in my bed. I am
not a thief, and I
cannot understand why
I am accused.

I have 5 years
service and have been
away from Canada since
1939 on service.

I have been an
N.C.O. I wanted to come
over.

I have never been
in any trouble of this
nature either in the Army
