THREE GREAT WATCH BARGAINS

WE are not in the watch and jewellery business, but a considerable number of these watches were offered to us at what seemed an exceptionally low price. On the strength of an expert watchmaker's certificate, that they are genuine as to material, workmanship and reliability, and backed up by the manufacturer's guarantee, we have decided to give the benefit of the bargain to the readers of THE FARMING WORLD, as long as the supply holds out. Our aim is to please our old subscribers and gain new ones, knowing that every purchaser will have a constant and agreeable reminder of THE FARMING WORLD for years to come. You may therefore have one of these watches at what it cost us—a little less, postage, etc., considered.

READ THE CONDITIONS CAREFULLY

No order will be filled unless the full bargain price is sent, namely, \$2.75 for the boy's watch, \$1.75 for the man's watch, or \$11.50 for the lady's watch. If you are already a subscriber your present bill up to date to THE FARMING WORLD will be advanced one year, or what we very much prefer, instead of marking up your own date, we will send THE FARMING WORLD for one full year to any new subscriber whom you may name. Having sent your subscription to the paper yesterday, or last week, or last month, won't count in this bargain offer.

We guarantee every watch, and any person not absolutely satisfied may have his money back for the asking.
