

CANADA WAR SAVINGS STAMP CAMPAIGN.

Great things are expected from the War Savings campaign in the schools of the Dominion and already very encouraging reports have been received. As an indication of what a large school can do, it may be said that during 1918 the Benton Ward School of Kansas City, Mo., with an enrollment of about 1,000 subscribed \$51,756.50 worth of War Savings Stamps. This was the record for all educational institutions in the U. S.

In the Winnipeg schools the demand for Thrift Stamps has been phenomenal during the last three weeks, over \$7,000 worth having been sold to the pupils. This demand has been sti-

mulated through the action of some business concerns in offering prizes for the boy and girl that bought during the second week of January, the most Thrift Stamps with money actually earned.

The Regina public school board is interesting itself eagerly in the War Savings movement and has decided that lessons in thrift shall be taught to the scholars. The sale of Thrift Stamps will also be pushed in the Regina schools.

Banff, Alta., has given every child in the local schools a Thrift Stamp. The sales of War Savings and Thrift Stamps generally in that town have been large, \$3,000 worth having been sold ten days ago.

The Dominion of Canada seeks your co-operation in the popularizing of

War-Savings Stamps

First—W.S.S. will enable the Government to raise millions of dollars to be used for Reconstruction.

Second—It promotes THRIFT among the masses and educates people to buy bonds.
