

THE PEERLESS INDIVIDUAL COMMUNION SERVICE

The TRAYS STACKED—Showing the interlocking advantage and their imposing and beautiful appearance on the Communion table.

FOR SANITARY REASONS a large and increasing number of congregations are adopting the Individual Communion Service.

The Peerless Service takes the place of the "common cup" without the least disturbance of the order and reverence which attach to the observance of the Lord's Supper.

The trays are made of aluminum, are light and easily handled and present the HANDSOME APPEARANCE OF POLISHED SILVER.

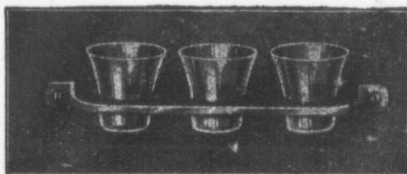

The cushioned trays are ABSOLUTELY NOISELESS.

The cups are of an IMPROVED SHAPE that empty without making it necessary to tip back the head. They are MADE EXTRA STRONG and can readily be Sterilized.

\$4.75 will purchase a set sufficient to start a congregation of 25 communicants, or

\$5.50 for 36 Communicants.
